Our Father and Our God, we come before thee this day, first to give thanks for what we have been blessed with this Yuletide Season. We thank you for this 8th day of the first week of the New Year.

We ask your blessings upon our Council as they come together to make decisions for the betterment of this city, our community and your people.

Lord bless our Mayor and our Council, give them to be as a light a city that sitteth on a hill that can not be hid.

Give them day by day the power of your Holy Spirit; give them knowledge and zeal, courage and love. Give them gratitude and hope to strive powerfully together as they serve. May they keep their vision clear, their aspirations high, their purpose firm and their sympathy wide.

We ask these and all of the blessings in the name of the Father, the Son and the Holy Spirit.

**COMMUNICATIONS  
FROM MAYOR AND OTHER  
GOVERNMENTAL AGENCIES  
Mayor's Office**

December 20, 2007

Honorable City Council:

Re: Resolution Appointing Special Counsel to the Detroit City Council.

On December 11, 2007 your Honorable Body adopted a resolution appointing David Whitaker, Director of your Research and Analysis Staff Division, as Special Counsel. The referenced appointment was approved pursuant to Section 4-121 of the Detroit City Charter, which states:

The city council may obtain the opinion

or advice of an outside attorney in any matter pending before it. Where there exists a conflict of interest between the city council and another branch of government, the city council has the authority to retain an attorney licensed to practice law in Michigan who shall represent the city council in legal proceedings.

I am aware of City Council's authority under Section 4-121 of the City Charter, however, I am troubled by City Council's ill-advised and improper use of that authority.

The referenced section is intended to cover special situations in which the advice of outside counsel is needed. Special situations are most often defined when policy conflicts arise between the Executive and Legislative Branches. It was never intended to sanction the use of a full time Council appointee as an outside counsel for day-to-day legal consultation where no special circumstance exists. This position is further supported by Section 2-105 which defines retain and reads as follows:

*Retain (distinguishing legal representation other than corporation counsel).*

The temporary hiring of outside legal council.

There is no section within the City Charter that makes allowances for the Research and Analysis Director, a city employee, to be outside counsel indefinitely.

Additionally, I find the November 26, 2007 memorandum issued by Mr. Whitaker problematic. In the referenced memo he advises your Honorable Body to designate him a Special Counsel under the pretense that "conflicts of interest between the Legislative and Administrative branches have occurred in the past and it is anticipated they will continue to occur in the future." There is nothing about my administration's recent interactions with the Legislative Branch that indicates that we should anticipate conflicts of interest. An examination of the City Clerk's records indicates that we have maintained a healthy relationship. I am fearful that your Honorable Body's endorsement of such a statement may hinder our efforts to collectively grow Detroit. This resolution continues to perpetuate the ill-conceived notion that we cannot work together.

I acknowledge that there have been conflicts of interest in the past, however the engagement between our legislative and executive branches of government over the past four (4) years has been representative of a democratic system of checks and balances as contemplated by our forefathers. This deliberative process has produced an exchange of information and ideas, countless economic development projects, and a more symbiotic annual budget process.

I am hopeful that the message you

have communicated, through the adoption of the referenced resolution and the related correspondences, does not establish a new framework for our future engagement.

Given both the legal and public policy concerns, I would prefer that you *rescind* the referenced resolution, however given the time constraints, and your Honorable Body's Winter Recess, I respectfully *veto* this resolution.

Sincerely,  
KWAME M. KILPATRICK  
Mayor

Received and placed on file.

#### PUBLIC COMMENTS

**Linda C. Andrews** — My concern is in the area of Pershing High School. I drop my grandson off at school every morning and pick him up at 3:00 p.m. I did not see a sign that said "No Stopping". I received a ticket for November 22 stating that I was in a "No Stopping" area on December 22 indicating the time was 8:04 a.m., and the place was in front of the school. I did not see a police officer or a person who issues tickets to say that you are in a "No Standing Zone". I drop my grandson off with several other people on Ryan Road at Pershing School. I was disturbed because a late charge of \$20 was on the ticket. I did not get the first ticket or an indication that I was in a "No Stopping Zone".

For the last three years I have never seen a "No Stopping" sign. I would have preferred that the police officer had pulled up next to me and said that your in a "No Stopping Zone" and move on or give me ticket in hand; the same with the ticket patrol person's car. The parking lot of the school is becoming congested and traffic is backing up. when I was dropping my grandson off on yesterday, I saw a car in action for the first time as the ticket bureau did not pull this person over, he pulled up behind this SUV and I assume he wrote down the license plate. The SUV did not have a clue that he was behind him and the SUV drove off.

I would like for the signs to be removed because parents want to drop their children off in a safe area and because this is a school. The sign should not be there. I do not say sit there 15 to 20 minutes but long enough to drop your children off and see that they are in the door of the school.

**WATSON: I ask that Municipal Parking receive copy of the ticket and do not hold her liable for a ticket that was not given to her, but mailed to her with a late fee. Secondly, I am asking that the persons in charge of the signs change the signs to "You Cannot Stop Except for 8:00 A.M. to 8:30 A.M. and 3:00 P.M. to 3:30 P.M. for the normal time of drop off and pick up. I am asking the departments to respond in writ-**

**ing and also give Ms. Andrews copies of this information. Mr. Kandia Milton will you forward a copy of Ms. Andrew's ticket to Municipal Parking. She should not be liable for this.**

**Kevin Coleman** — I was involved in a motorcycle accident on May 14, 2007. I was in the hospital for four (4) days and my motorcycle was impounded by the police. On my release from the hospital, I called to find out how much it will cost to get my motorcycle back and the cost per day. The manager of the police impound yard informed me that he did not see my bike on the lot. I proceeded to give him my vehicle number. He said my motorcycle was there and it is showing that it has been there, but there were no signs of my motorcycle. It was told to me that a police report was made at the Northwest Police Station by the manager. I proceeded to give information on the incident, but there was not a police report filed. I had to make a police report on my own.

I cannot get help from anyone. I would like to know what the procedure is in handling this.

**WATSON: I am asking that the Mayor staff immediately connect him with the police or whoever it is that impounds motorcycles. We need to trace the motorcycle and get something in writing to Council and to this young man within the next week. I am asking the Mayor's staff and the Research Analysis Division to assist in tracing this and make sure that there are some answers. We will line item this and we will forward this to Public Health Safety Standing Committee.**

**COLLINS: I would like for the Police Department to give us a report on the procedure when someone is in an accident and is transported to the hospital. What is the written procedure in handling their personal possessions (car, motorcycle, etc.)? We need to know if the procedure was handled in this instance. If so, the gentleman needs to know the location of his motorcycle and if procedure was not followed, it needs to be indicated in the report.**

#### **MEMBER REPORTS**

##### **Council Member JoAnn Watson:**

- I would like to note that Saul Green's father will be eulogized tonight at Plymouth United Church of Christ at 6:00 p.m. and we will be distributing a resolution on behalf of the whole City Council.

- I received information from someone claiming that there is a violation of the Detroit Living Wage Ordinance and I am routing this to Research Analysis Division, Law Department, and Finance Department/Purchasing Division for review.

- I happened to see Judge Rudy Serra during the Holiday period and he stated

that he was trying to pay a parking ticket on the City's website and was unable to for the second time. I would like for Municipal Parking to be advised of this problem.

##### **Council Member Brenda Jones:**

- I would like to report that the Rules Committee will begin meeting on Wednesday, January 16 at 1:00 p.m. and we will meet every Wednesday thereafter until the rules have been completed and a notice will be distributed.

- Many people have approached me to address the fact that the bus shelters are being removed from the DDOT bus routes. I would like to have this addressed in the appropriate committee and investigate as to why they are removing the bus shelters. I was given three (3) locations on yesterday where some were removed.

- I received a notice that we will be having the evening Community Meeting on the fourth (4) Tuesday, but that is still the Tuesday that I have Skill Trade Taskforce and notices have already been distributed. We will still have the skill trade taskforce on that Tuesday and I would like to have one camera person from the Water Department to assist on that particular Tuesday. The Taskforce Meeting is from 4:00 p.m. to 6:00 p.m.

##### **Council Member Sheila M. Cockrel:**

- Happy New Year! I am submitting to Clerk Winfrey on behalf of the Council's Disability Taskforce request for Committee Clerks for the 2008 meetings and an invitation for all Council Members and their staff to attend the meeting on the Third Monday of every month at 51 W. Hancock from 1:00 p.m. to 3:00 p.m. at the ARC and these meeting is continue when Council is on recess.

- I would like to announce an addition to my staff, Ms. Debra Pospiech, who has served us well in Research Analysis and has accepted the position as Chief of Policy in my office. She will be working closely with the policy people in each of your offices.

##### **Council Member Alberta Tinsley-Talabi:**

- I had memorandums sent to all committees to discuss the Comcast changes and public access television. I think people still would like to hear what is actually happening.

##### **Council Member JoAnn Watson:**

- The president has sent a wonderful set of questions regarding the Comcast issue that we will be adding to the agenda of Neighborhood Community Services and we will be asking the Cable Commission to respond. Pres. Pro Tem Conyers has also called for a hearing on this issue.

**Council Member Barbara Rose Collins:**

• We have the Planning and Development Committee meetings at 10:00 a.m. on Wednesdays and it is nearly impossible for us to finish a very intensive agenda by 12:00 noon. Generally, we can be adjourned by 1:00 p.m. I would appreciate it if Member Jones' meeting could start perhaps at 2:00 and not at 1:00 because there would be a change of TV crew and community clerk. I also, think her meeting time should be set by resolution as all Standing Committees.

**Council Member Martha Reeves:**

• My Entrepreneur Taskforce which Council Member Jones co-chairs will be held tomorrow at 4:00 p.m. and we are inviting the public.

**NEW BUSINESS  
RESOLUTION REQUESTING  
PRESERVATION OF EXISTING CHANNEL LOCATIONS FOR PUBLIC, GOVERNMENTAL AND EDUCATIONAL ACCESS CHANNELS, ALSO KNOWN AS PEG**

By COUNCIL MEMBER S. COCKREL:

WHEREAS, Comcast Cablevision, is among the companies that furnish or will be furnishing cable television subscriptions to residential customers; and

WHEREAS, The City of Detroit and other governmental entities have committed substantial resources to deliver programming on governmental and educational access channels; and

WHEREAS, Comcast Cablevision has indicated that it intends to change the channel lineup and location of the public, educational and governmental access channels (PEG) from present locations of Channel 10 for the Government Access and Channel 22 for the Educational Access, where they have been situated for many years and where many thousands of City of Detroit Comcast customers have come to expect to find important information from their City's elected leaders, to the channel lineup in the 900's,

which will require customers to have a digital converter set-top box, a cable card or a QAM\* capable television; and

WHEREAS, The result is added costs, inconvenience, and confusion with respect to citizens who intend to view educational and governmental access channels; and

WHEREAS, Since Comcast's announcement, many citizens have voiced their opposition to the news that Comcast intends to change the location of PEG channels and require customers to have a digital converter box to receive the channels;

NOW, THEREFORE BE IT RESOLVED, That the City of Detroit requests that Comcast Cablevision preserve the channel locations for public, educational and governmental access channels (PEG) and agree that they will not be changed in the future without the written consent of the City or governmental entity or entities which provide programming on such channels; and

BE IT FURTHER RESOLVED, That the City of Detroit requests that Comcast respond to the questions posed by the Michigan Chapter of the National Association of Telecommunications Officers and Advisors in its letter dated November, 2007 addressing operational and legal issues related to Comcast's actions; and

BE IT FURTHER RESOLVED, The City of Detroit requests that Public Act 480 of 2006 be immediately amended to require that public, educational and governmental access channels remain at the current locations and that the same not be subject to change unless the written consent of the affected governmental entity providing the programming is obtained; and

BE IT FINALLY RESOLVED, That the City Clerk is directed to forward this resolution to Comcast Cablevision, the Honorable Kwame M. Kilpatrick, the Michigan Legislature, and the Detroit Cable Commission.

WHEREAS, Only two statues in Statuary Hall have been slated for removal in the history of this nation, and the removal of one Michigan Statue has been designated because of a desire to honor Late President Gerald Ford with the honor, and

## Invocation

Almighty GOD, the creator and preserver of all humankind, we humbly seek Your Spirit and power for the members of the Detroit City Council. We commend the Detroit City Council to Your merciful care, guide them by Your Divine Providence; may they always work and dwell secure in Your peace. Grant to each member wisdom and strength to know and to do Your will; so that with steadfast purpose they may faithfully serve their office to promote the well-being of all people. Fill them with the love of truth and righteousness, and make them ever mindful of their calling to serve the people of this great city.

O GOD we pray also for the citizens of the City of Detroit. Bless the people of this city. Save us from violence, discord and confusion. Enable us to eliminate poverty, prejudice and oppression, so that the peace and love that Dr. Martin Luther King preached about may prevail with righteousness, and justice with order so that people of different cultures, faiths and ethnicity may find with one another their common humanity and bring glory to Your name.

Finally, GOD, we ask that in times of prosperity, fill our hearts with thankfulness, and in the day of trouble may we never stop trusting in You; this we ask through JESUS CHRIST our LORD.

Yeas — Council Members S. Cockrel, Collins, Jones, Kenyatta, Reeves, Tinsley-Talabi, Watson, Conyers, and President K. Cockrel, Jr. — 9.

**PUBLIC COMMENT**

**JOHN GRAVES**

Had concerns with the way the proposed vending ordinance is written (i.e., the stadiums were not listed). In his opinion, there seems to be confusion as to whether or not the stadiums are inside the Central Business District. He feels that because the stadiums all sell like prod-

ucts, the 500 foot rule should apply as it does for restaurants (if somebody sells hot dogs in front of a restaurant, it has to be 500 feet).

**CHARLES R. SCALES, JR., Owner of Scales and Associates, Inc.**

Concerns were related to the potential award of the Crowell Recreation Center — an architectural design project for the construction of a new facility to a firm located in Troy, Michigan. In an environment of few economic opportunities, Scales and Associates finds that many of the Markets outside of Detroit to which they wish to offer their services to are closed to them and many other companies in Detroit. However, Detroit's market seems open more so to regionally located firms.

**THERESA ZAJAC, Southwest Detroit Business Association**

Had concerns that the people with pushcarts, specifically, ice cream trucks, that now move around would be required to be stationary and that would cut out a profitable business currently going on.

She also had concerns that the standards in the proposed ordinance language in terms of feet does not apply to them because their storefront doors are closer together than those downtown. She feels the numbers and feet they've added might be detrimental to the neighborhood districts verses the downtown districts. Those are the two areas they wanted the Planning Commission and the Law Department to look at in conferring with the Neighborhood Business Districts.

**CATHY WENDLER, Southwest Detroit Business Association**

Had concerns that if this ordinance does pass with the expectation that it will be amended, there is going to be much less motivation to enforce it. She feels that there is a certain amount of cynicism in the business community now about whether you really have to comply with City ordinances and if anybody's ever going to hold you to compliance.

**LEMON WILSON, President of AFSCME Local 312 (DOT)**

Asked that City Council not approve the Jimmy Diesel Engine contract coming before them for a vote. He feels that the contract is not only a violation of the privatization ordinance passed by this body, but also a violator of the master contract.

**AL GARRETT**

Had concerns relative to City Council's continuous approval of contracts that are in violation of the AFSCME master contract. We've got a \$2.6 million award that says they're doing it. This award has been done at least five different times. Each time the department (DOT) does it, we come to you and say it's going to cost you twice but the contracts are still approved.

**MUBARAK HAKIM, Local Vendor and Jazz Musician**

Spoke in support of the proposed vending ordinance.

**WYOMAN MITCHELL, Local Vendor and Jazz Musician**

There is an active group of black men, women and children in Detroit who are asking for a drug-free Detroit for a revolution in 2008. He submitted a letter relative to a drug house at 678 Pingree. They are asking that the city snatch this drug house.

Submitted a sheet of parking tickets he has received in the City. He complains that they never seem to get paid off. Re: Audit of the Detroit Office of Homeland Security's Imprest Cash.

Attached for your review is our report on the audit of the Detroit Office of Homeland Security's Imprest Cash.

This report contains our audit purpose,

scope, objectives, methodology and conclusions; our finding and recommendations; and the response from the Detroit Office of Homeland Security.

This report contains recommendations to strengthen the Detroit Office of Homeland Security's internal controls over its imprest cash. While the recommendations are not intended to be all-inclusive, the correction of all or any number of conditions as recommended would strengthen the controls in effect. The responsibility for the installation and maintenance of a system of internal control that minimizes errors and provides reasonable safeguards rests entirely with the Detroit Office of Homeland Security. Responsibility for monitoring the implementation of recommendations is set forth in section 4-205 of the City Charter which states in part:

Recommendations which are not put into effect by the agency shall be reviewed by the Finance Director who shall advise the Auditor General and the City Council of the action being taken with respect to the recommendations.

We appreciate the cooperation and assistance that we received from the employees of the Detroit Office of Homeland Security.

**Audit Purpose, Scope, Objectives,  
Methodology and Conclusions**

**Audit Purpose**

The audit of the Detroit Office of Homeland Security's (Department) Imprest Cash was performed in accordance with the Office of the Auditor General's (OAG) Charter mandate to audit the financial transactions of all City agencies at least once every two years and report findings and recommendations to the City Council and the Mayor.

**Audit Scope**

The scope of this audit entailed a review of the Imprest Cash Fund of the Department for the period July, 2005 to June, 2007.

Our audit was conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States, except for the completion of an external peer review of the Office of the Auditor General within the last three years.

**Audit Objectives**

- The overall audit objectives were:
- To determine whether the actual amount of the Imprest Cash Fund is in agreement with the authorized amount.
  - To determine whether imprest cash transactions are properly authorized.
  - To determine if imprest cash is safeguarded against loss, theft, and unauthorized or improper use.
  - To determine if the Department is in compliance with the Finance Department's Imprest Cash Manual, relevant Finance Directives and other Finance Department policies.

**Audit Methodology**

To accomplish our audit objectives, our audit work included:

- Interviews with staff of the Department, and documentation of the process for Imprest Cash transactions. Internal controls related to topics included in the City's Imprest Cash Manual were reviewed, along with relevant Finance Directives.
- Review of imprest cash documents from the Department and from the Accounts Payable Section of the Finance Department.
- An unannounced cash count of imprest cash funds.
- Other audit procedures that we considered necessary to achieve our audit objectives.

**Conclusions**

As a result of our audit we have concluded that:

- The Department has an imprest cash account of \$300, which agrees with Finance Department records.
- The Department does not currently have access to its imprest cash. The OAG was unable to perform a cash count of the Department's imprest cash because the

January 15

38

2008

Department misplaced the key to the lock box and cannot access it.

- Imprest Cash transactions were not properly documented.

- An imprest cash reimbursement request was submitted in June, 2005 and was denied. This issue has yet to be resolved and the Department has essentially not used its imprest cash since that time.

#### **Recommendations**

In addition to the specific recommendations included in the Audit Finding and Recommendations section of this report, we recommend that the Detroit Office of Homeland Security work with the Accounts Payable Section of the Finance Department to resolve the issue concerning the reimbursement request submitted in 2005 that has not been reimbursed to replenish its imprest cash account to its authorized level of \$300.

#### **BACKGROUND**

The primary purpose of the Detroit Office of Homeland Security (Department) is to provide leadership in coordinating the development of a sustainable and all-hazard regional approach to terrorism that emphasizes an integrated process for establishing preventative measures, emergency operations, planning and training to minimize the impact of catastrophic events on the people, property, environment and economy of the City of Detroit.

It also has responsibility for the administrative and financial processes that support its primary mission. The scope of our audit included only administrative and financial processes related to imprest cash. The Department's authorized imprest cash is \$300.

The Director of the Detroit Office of Homeland Security is Daryl Lundy, who was appointed the Director on September 15, 2006. A budget for the Detroit Office of Homeland Security was not included in the adopted budget for the 2005-2006 fiscal year. The following table shows the budgeted appropriations, revenues and number of staff for the Detroit Office of Homeland Security for the 2006-2007 fiscal year.

	<b>Fiscal Year 2006-2007</b>
Budgeted Appropriations	\$431,279
Budgeted Revenues	45,000
Number of Staff	4

#### **AUDIT FINDING AND RECOMMENDATIONS**

##### **1. The Detroit Office of Homeland Security (Department) Did Not Fully Comply With the Policies and Procedures in the Imprest Cash Manual, Relevant Finance Directives and Other Finance Department Policies**

Policies and procedures stated in the Imprest Cash Manual, which were not adhered to, include:

- Reconciliations were not performed by the custodian.

- Quarterly audits of the Imprest Cash Fund were not performed.

- Required supporting documentation was missing, invoices were not signed and the reason for the purchase was not always included on the invoices.

- The Department does not currently have access to its imprest cash box because the key has been misplaced.

- The listed alternate custodian is no longer employed in the Department.

Other Finance Department policies, which were not adhered to:

- Imprest cash reimbursement requests were not submitted within 30 days from the end of the month in which the original purchase was made. In June of 2005 the Detroit Office of Homeland Security submitted an imprest cash reimbursement request. This request was denied because the receipts were not submitted within 30 days from the end of the month in which the original purchases were made. Since that time the Department has not been able to resolve this issue and has not had the use of its imprest cash because it was nearly depleted when the receipts were submitted for reimbursement.

- Year-end closing documents for imprest cash were not submitted to the Finance Department.

The City policy as stated in the Imprest Cash Manual, or the Accounts Payable Section, Imprest Cash Procedures:

- The custodian should perform reconciliations of the imprest cash account. At all times the imprest cash fund must agree with the total amount authorized.

- At a minimum, quarterly audits of the Imprest Cash Fund must be performed and written records must be retained until the next audit by the Auditor General.

- Supporting documents include an original invoice (or supervisor approved copy) that is signed by the individual who made the purchase; and that clearly indicates the purpose of function of the purchase.

- All imprest cash funds must be kept locked in safe, secure storage, and must not be commingled with private funds or with other departmental funds.

- All imprest cash funds should have a custodian and alternate custodian. Changes in custodian or alternate custodian must be reported promptly.

- Imprest cash reimbursement requests must be submitted within 30 days from the end of the month in which the original purchase was made.

- All Finance Department year-end closing procedures should be adhered to and exhibits should be turned in timely.

Cash is the most liquid asset and as such it is at the greatest risk of misuse, theft, and other loss. Failure to conduct and document periodic audits increases the risk that discrepancies in cash may not be identified or resolved promptly. Failure to comply with the Imprest Cash Manual, and Finance Directives, increases the risk that imprest cash will be used inappropriately.

The staff of the Detroit Office of Homeland Security stated that in 2004 when the Department was no longer part of the Finance Department, they did not receive an Imprest Cash Manual and were not aware of the rules and regulations regarding imprest cash. The Department submitted an imprest cash reimbursement request that was denied by Accounts Payable because the receipts included in the reimbursement request were more than 30 days old. The policy that all receipts must be turned into the Finance Department for reimbursement no more than 30 days after the end of the month in which the purchase was made is a policy that is not part of the Imprest Cash Manual and was circulated via electronic mail in 2004 and again in 2005.

#### Recommendations

We recommend that the Detroit Office of Homeland Security:

- Perform, at least quarterly, a random and independent audit of their Imprest Cash Fund, and document the results. These documents should be retained until the next audit by the Auditor General.
- Ensure that all reimbursements include an original invoice or supervisor approved copy that is signed by the individual who made the purchase; and that clearly indicates the purpose or function of the purchase.
- Designate an appropriate alternate custodian and report the information to the Finance Department.
- Submit reimbursement requests within 30 days from the end of the month in which purchases were made.
- Obtain access to the funds in the lock box and then obtain a new lock box.
- Comply with the Finance Department year-end closing procedures.

#### Department's Response:

Re: Submitting Resolution Correcting a Scrivener Err Relative to the Rules of Order for the Detroit City Council.

Pursuant to the Internal Operations Standing Committee's request, the Research & Analysis Division (RAD) submits the attached resolution, correcting the Scrivener's errors in the Rules of Order for the Detroit City Council affecting the Internal Operations Standing Committee and the Neighborhood and Community Services Standing Committee.

As previously discussed, in drafting the Rules of Order for the Detroit City Council, an error was made in assigning two agencies under the control of the Detroit City Council to the wrong Standing Committee. Both the Cable Commission and the Board of Review were placed under the auspices of the Neighborhood and Community Services Standing Committee. This was done in error.

The attached resolution transfers the oversight of the Cable Commission and the Board of Review to the Internal Operations Standing Committee.

JOINT STATEMENT OF  
COUNCILWOMAN SHEILA M. COCKREL  
AND PRESIDENT PRO TEMPORE  
MONICA CONYERS IN OPPOSITION  
TO THE RESOLUTION TO APPROVE  
AN ORDINANCE TO AMEND CHAPTER  
41, ARTICLE II, OF THE 1984 DETROIT  
CITY CODE, BY RENAMING THE  
ARTICLE FROM 'STREET AND  
STATIONARY VENDORS' TO  
'VENDING ON PUBLIC PROPERTY';  
BY AMENDING SECTIONS 41-2-1,  
41-2-5, 41-2-6, ETC.,

We voted in opposition to the resolution approving certain amendments to the Street and Stationary Vendors ordinance, as referenced above. We are empathetic to the issue of people looking for opportunities to earn an income, and we understand that vending in major cities is considered a viable method to earn a living. The leaders of the City of Detroit continuously strive to provide economic opportunities and jobs in the city, and a major effort is focused on developing a revitalized and thriving Central Business District and Cultural Center Area. However, it is essential that elected leadership weigh the competing interests that may be in conflict between established businesses who pay property taxes and ambulatory vendors. We must remember that established businesses pay taxes and hire employees who pay taxes.

In other major cities where the foot traffic is substantially greater than in Detroit, street vendors may have a minimal impact on established businesses. However, the proposed ordinance specifically allows vendors to sell numerous items that are sold in businesses that operate in buildings. This may deter new businesses from establishing themselves in these important areas of our city. Numerous downtown businesses oppose this amendment as a threat to their continued livelihood in this fragile economy,

In addition, we believe the ordinance has several deficiencies. Although there are distance restrictions identified in the ordinance, the distances are not far enough away from businesses that operate in buildings. As the City Planning Commission stated, there are serious concerns about maintaining sufficient pedestrian space on sidewalks where vendors are located, as this is unaddressed in the ordinance. There are also concerns because design criteria for stationary vendors stands are not specified. Finally, there appears to be no limitation upon the number of vendors allowed in these areas of the City. There do not appear to be clear restrictions or criteria on neighborhood vending. The lack of time restriction will create a law enforcement nightmare. Finally, many matters are left to the discretion of the Buildings & Safety Engineering Department and litigation issues may arise for the City unless

more specific regulations are enacted. Given the process by which this ordinance was adopted and the unaddressed issues, we anticipate litigation.

For all of the above reasons, we vote "no" on the aforementioned ordinance amendment.

STATEMENT ON  
STREET VENDING ORDINANCE BY  
KENNETH V. COCKREL, JR.  
PRESIDENT, DETROIT CITY COUNCIL  
Tuesday, January 15, 2008

Today, I joined with the majority of the Detroit City Council in voting to pass new legislation to amend the 1984 City Code on Street and Stationary Vendors.

Though this ordinance generated some controversy and concerns from local business owners and business associations, I joined with the majority of my colleagues in supporting the amendments.

Street vending is a common element in everyday urban environments like Detroit. It takes place at the city's many busy intersections, its parks, on parking lots and in privately owned spaces. As such, street vendors can be seen all over the city.

It is my belief that expanded opportunities for existing street vendors and potential vendors can be a useful tool in revitalizing our city's economy. In fact, earlier in my tenure as a Council Member I myself passed another ordinance, which allows for vending in public parks during special events.

The previous version of this ordinance limited vending opportunities for would-be entrepreneurs. The ordinance amendments approved today expands opportunities for street vending in the Central Business District (Downtown), the Cultural Center area, and other neighborhoods. It also expands the number of items that can be sold by vendors in city-approved locations.

Some opponents of the amendments, mostly local business owners and business associations, argued that street vendors are "free riders" who can reap the benefits of selling items while not being subject to the taxation of private property and a permanent business address. Some also claimed that street vendors would be unfair competitors, would create obstructions, and possibly decrease property values.

These are valid concerns but I believe that the ordinance adequately addresses them — most notably through provisions specifying that vendors cannot interfere with pedestrian traffic and cannot sell items within 100 feet of the doorway of an existing business.

In the case of vendors who are selling food, they are prohibited from selling within 500 feet of existing restaurants. It is worth noting also that street vendors who sell food typically don't compete indirectly with restaurants. Those who patronize

them are usually looking for a quick bite while on the go whereas restaurant patrons are looking to take time for a sit-down meal. However, violators of these provisions will be subjected to fines and possible imprisonment.

As our state and city grapple with a stagnant economy we must explore creative ways to create revenue and jobs. Many street vendors are creative, talented entrepreneurs who are looking for the chance to realize the American Dream.

I believe Detroit is big enough to accommodate both them and our established businesses.

MEMORANDUM

To: Janice Winfrey, Detroit City Clerk.

Re: January 15, 2008 Agenda Statement.

**Council President Pro Tempore Monica Conyers Statement on her "NO" vote on item 36 on the Detroit City Council agenda dated 15 January 2008. Item 36 was a vote to amend Chapter 41, Article II, of the 1984 Detroit City Code, by renaming the article from "Street and Stationary Vendors" to "Vending on Public Property"; by amending Sections 41-2-1, 41-2-5, 41-2-6, etc.**

My "No" vote is based upon the need to balance my heart-felt commitment to the street vendors that represent the essence of American free enterprise. But that commitment must be balanced against protecting the interest of long established business concerns that currently generate millions of dollars in tax revenue for the City of Detroit.

There is room in Detroit for the street vendor and the large corporations that provide an economic lifeline to our city. While we support and encourage street vendors to grow their businesses in a lawful and orderly manner; we must not diminish the earning capacity of those that have made significant economic investments within our city limits.

We must consider the issue of proximity of street vendor operations to established business concerns that may be adversely impacted by vendor operations "too close" to established businesses.

I will support the proposed amendment if the street vendors (1) operate no closer than 100 feet from established businesses (2) conduct business using uniform tables (3) do not sell wares in front of a business that deals in the same goods as the vendor. If the ordinance is amended to include these issues of concern then I will fully support the ordinance.

STATEMENT BY HONORABLE  
ALBERTA TINSLEY-TALABI REGARDING  
THE AMENDMENTS TO THE  
PROPOSED VENDING ORDINANCE

Although I whole heartily support the expansion of vending opportunities within the Central Business District and throughout the city, I could not support the vend-

January 15

42

2008

ing ordinance as proposed. This ordinance does not address all necessary issues and therefore makes enforcement very difficult and confusing.

The City Planning Commission recommended a detailed list of provisions for the ordinance regarding pedestrian traffic, spacing, design and vending in the area of Comerica Park and Ford Field. These issues are important to adequately balance the needs of vendors and owners of stores who pay property taxes, utilities, insurance and other costs not associated with street vending.

Moreover, the proposed ordinance does not address hours of operation for vending. As it stands now, a vendor can set up their carts during late night or early morning hours (11:00 pm - 4:00 am). Doing so raises safety issues and potential liability for both vendors and the City of Detroit.

I do believe it is time to expand vending opportunities for street vendors. However, it must be done in such a way as to protect vendors and their customers. Additionally, any new ordinance must provide reasonable opportunity for enforcement by the City of Detroit. Unfortunately the ordinance passed by City Council falls short in both areas. When these issues are resolved, I will be more than happy to support a new vending ordinance.

The City Clerk's Office forwarded to this office three (3) applications for an NEZ certificate in the Oakland/Caniff area. The NEZ designation for the area generally bounded by Caniff on the north, Owen on the south, the Walter P. Chrysler Freeway (I-75) and Greeley on the east, and Oakland on the west was approved by the City Council on April 16, 2003. The City Planning Commission staff has reviewed the applications and recommends approval.

A certificate is being requested for 9676 Delmar, 9677 Delmar and 9689 Delmar. The property is within the boundaries of the Council-approved NEZ for the Oakland/Caniff area, and should be eligible for NEZ certificates under Public Act 147 of 1992 as currently written.

Dogwood, LLC plans to develop new single-family homes at the aforementioned addresses. The homes would be priced at \$150,000. The company has applied for the certificate at this time although a buyer of the unit has not been identified. When an owner is known, he or she can apply for the certificate. 2008

Corktown Development Corporation for Neighborhood Enterprise Zone (NEZ) certificates for 11 housing units within the North Corktown NEZ, which was approved by the Detroit City Council in April, 2003.

The addresses for the certificates are as follows: 3319 Harrison, 3338 Harrison, 3344 Harrison, 3402 Cochrane (aka 1600 Sycamore), 3408 Cochrane, 3417 Cochrane, 3433 Cochrane, 3318 Harrison, 3139 Harrison, 3307 Harrison, and 3313 Harrison.

The Greater Corktown Development Corporation is proposing to construct new single-family homes at all of the addresses. The new units would cost an estimated \$195,466,000 to build, and are expected to be sold for about \$112,000.

All 11 units are located west of Trumbull Avenue and south of Martin Luther King Boulevard. The properties involved are confirmed as being within the boundaries of the North Corktown NEZ and should be eligible for NEZ certificates under State legislation as currently written. Based on the above analysis, CPC staff recommends approval of the subject NEZ certificates.

Honorable City Council:

Re: Fifteen (15) Neighborhood Enterprise Zone (NEZ) Certificate Applications for properties in the Crosswinds Communities/Brush Park NEZ (Recommend Approval).

The City Clerk's Office forwarded to this office fifteen (15) applications from Crosswinds Communities Inc. for Neighborhood Enterprise Zone (NEZ) certificates for the following addresses: 244 Alfred, 242 Alfred, 23 Alfred, 246 Alfred, 16 Alfred, 257 Winder, 259 Winder, 262 Winder, 265 Winder, 224 Alfred, 226 Alfred, 228 Alfred, 230 Alfred, 238 Alfred, 240 Alfred, within the Crosswinds Communities/Brush Park area NEZ. That NEZ was approved by City Council on July 17, 1996. The developer is proposing to construct new condominium units.

The subject properties are confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The applicant has applied for the certificate, prior to the issuance of building permits, on behalf of the future owners who will occupy the property. It is appropriate for the petitioner to apply for a certificate at this time, even if a buyer has not yet been identified. The State Tax Commissioner, however, will not issue a certificate until an owner is identified. When an owner is identified, they can then apply for the certificate. At that time, it would not be necessary for City Council to pass another resolution. The City Planning Commission staff, therefore, recommends approval of the requested certificates.

Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

Industrial Facility  
Detroit, Michigan

Dear Abatement Recipient:

It has come to the attention of the Detroit City Council that (company name),

(industrial facility), which has received a tax abatement in accordance with Michigan Public Act 198 of 1974, has failed to comply with several requests by the City of Detroit Planning and Development Department to complete the attached questionnaire regarding your level of investment and specific levels of maintained and created employment.

We, the Detroit City Council are writing to inform you that this is your final notice to comply with the provisions of the Industrial Facilities Exemption Certificate Agreement, in its entirety, but specifically at this juncture, Page 2 — Section 3: Annual Status Report by Applicant; and Section 4: Review and Audit of Applicant Employment Information by completing the attached survey forms postmarked no later than February 28, 2008.

Thereafter, the Detroit City Council will aggressively pursue any and all available legal means to affect the rescission of your abatement and seek reimbursement of taxes exempted, including attorney fees and all other associated costs incurred by the City of Detroit. It is our fervent hope that this step in the process will not be necessary.

Re: Petition of EMCO Chemical, Inc., (Petition #2119), to purchase property located at 4467 Humboldt Street, Parcel I.D. #10008317.

At the October 17, 2007 meeting of the Planning and Economic Development Standing Committee, City Planning Commission staff requested your Honorable Body to defer authorization of the sale of 4467 Humboldt Street by the Planning and Development Department to EMCO Chemical pending research by our office.

Emrys Davies of EMCO owns the adjacent lot at 4461 Humboldt, which he has leased to MetroPCS for erection of a cell tower. Because the land on Humboldt is zoned Intensive Industrial (M4) no notification on neighbors or special land use hearing was required for the Buildings

and Safety Engineering Department to issue a permit for the cell tower. Unfortunately, the cell tower and its compound were erected immediately adjacent to the single-family dwelling at 4457 Humboldt owned by Deborah Smothers.

Ms. Smothers, State Senator Buzz Thomas, and Fox 2 TV news all raised concerns over the cell tower's location within inches of the home. Although the Wireless Telecommunications Site Review Committee challenged the siting of the tower so close to Ms. Smother's property, the City had no legal recourse to prevent or compel relocation of the tower. Although the precise location of the tower was legal and appropriate for EMCO and for MetroPCS, it has proven most problematic for Ms. Smothers. MetroPCS subsequently sold the tower structure to Skyway Tower Company.

In hopes of finding some suitable outcome to this dilemma, City Planning Commission staff has spoken to both Mr. Davies at EMCO and Ms. Smothers, whose family has since vacated the property. We raised the possibility of EMCO purchasing the home on Humboldt with Mr. Davies, who indicated he would consider it. We urged Ms. Smothers to contact Mr. Davies to see whether a property transfer between private parties might be possible.

The CPC removes its hold on Council's authorization of P&DD's land sale to EMCO with the hope the private parties can reach a mutually satisfactory accommodation.

Re: Public Hearing on the Establishment of the Euclid Street Townhouse Neighborhood Enterprise Zone as Requested by the Mt. Moriah Community Development Corporation in Accordance with Public Act 147 of 1992.

The Planning & Development Department and the Finance Department have reviewed the Master Plan and the neighborhood preservation and development goals of the City, and find that the establishment of the Euclid Street Townhouse Neighborhood Enterprise Zone would be consistent with the neighborhood preservation and development goals and with the Master Plan.

Public Act 147 of 1992, commonly referred to as the Neighborhood Enter-

prise Zone (NEZ) Act, in Section 3(1) states "the governing body of a local governmental unit by resolution may designate one (1) or more neighborhood enterprise zones." Prior to acting upon the resolution establishing an NEZ, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an *ad valorem* tax within the proposed NEZ, said notice to be made not less than 60 days prior to your Honorable Body's passage of a resolution designating an NEZ.

The boundaries of the proposed NEZ are described in Exhibit A (legal description) and illustrated in the map also attached. The developer proposes to invest \$3.2 million to construct 24 townhouse units.

We request that a Public Hearing be scheduled on the issue of establishing this NEZ, as required by the NEZ Act. Attached for your consideration please find a resolution establishing a date and time for the public hearing, together with the aforesaid map and legal description of the proposed NEZ.

 Re: Extension of Development Agreement. Development: 10533 Gratiot.

On September 19, 2003, your Honorable Body authorized the sale of the above-captioned property to Gratiot-French Development, LLC, a Michigan Limited Liability Company, for the purpose of constructing a new retail plaza containing a 21,420 square foot building with parking.

On July 28, 2006, your Honorable Body authorized an Amended Development Agreement in order to modify Gratiot-

French Development, LLC's proposed development from the construction of a retail plaza to the development of a two-story, approximately 84,600 square foot self-storage facility with space to include a United Parcel Service (UPS) store.

Gratiot-French Development, LLC has informed the Planning and Development Department that due to unavoidable circumstances, they were not able to complete the project within the time allotted in the present Development Agreement. The design changes, by necessity, delayed their ability to prepare complete applications for financing for area banks. All design changes have been approved by all appropriate parties, financing is now complete, and the Offeror is now ready to begin construction of their new storage facility. Consequently, Gratiot-French Development, LLC, is now requesting an eighteen (18) month extension.

The Planning & Development

Department has reviewed the request of Gratiot-French Development, LLC, a Michigan Limited Liability Company, and has determined it to be reasonable and consistent with the terms and conditions set forth in the Development Agreement.

We, therefore, request that your Honorable Body adopt the attached resolution, authorizing an amendment to the Development Agreement to extend the completion period of the development.

Re: Address: 19923 Bradford. Name:  
Public Art Workz. Date ordered  
removed: October 29, 2007 (J.C.C.  
page ).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on November 19, 2007 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of November 13, 2007.

The proposed use of the property is rehabilitation and sale. This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Also, the relocation is to be done under DWSD's permit and inspection and in accordance with plans approved by DWSD.

We, therefore, recommend that the petition be granted in accordance with the attached Resolution. which are confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. Springarn Development LLC, has applied for the certificates, prior to the issuance of building permits, on behalf of the future owners who will occupy the properties. It is appropriate for them to apply for certificates at this time, even if a buyer has not yet been identified. The State Tax Commission, however, will not issue a certificate until an owner is identified. When an owner is identified, he or she can then apply for the certificate. At that time, it would not be necessary for City Council to pass another resolution.

The petitioner proposes to build condominium units, most in the building addressed as 2122 E. Atwater and the remaining ones as townhomes on the first floor of the larger building. The site has been cleared and construction is anticipated to begin soon. The developer will need to submit to the State Tax Commission the parcel to receive the certificate with a map showing the parcel.

Honorable City Council:

Re: Applications for 92 Neighborhood Enterprise Zone (NEZ) Certificates for 1117 Griswold, within the Cadillac Residences NEZ (Recommend Approval).

The City Clerk's Office forwarded to this office 92 applications from Griswold Capitol Park LLC for Neighborhood Enterprise Zone (NEZ) certificates for The Griswold — Capitol Park, located at 1117 Griswold Street. The site is bounded by Griswold Street, Michigan Avenue, Shelby Street, and the alley north of Michigan Ave. This is a 92-unit, six-story residential condominium project to be constructed atop the future ten-story parking garage on that site. The addresses of these units are:

#1101, #1102, #1103, #1104, #1105, #1106, #1108, #1109, #1110, #1111, #1112, #1114, #1115, #1116, #1117, #1118, #1120, #1121, #1122, #1201, #1202, #1203, #1204, #1205, #1206, #1208, #1209, #1210, #1211, #1212, #1214, #1215, #1216, #1217, #1218, #1220, #1221, #1222, #1401, #1402, #1403, #1404, #1405, #1406, #1408, #1409, #1410, #1411, #1412, #1414, #1415, #1416, #1417, #1418, #1420, #1421, #1422, #1501, #1502, #1503, #1504, #1505, #1506, #1508, #1509, #1510, #1511, #1512, #1514, #1515, #1516, #1517, #1518, #1520, #1521, #1522, #1601, #1602, #1603, #1604, #1605, #1606, #1609, #1610, #1611, #1612, #1615, #1616, #1617, #1618, #1621, and #1622.

The Cadillac Residences NEZ was approved by City Council on April 12, 2006. The subject properties are confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. It appears that the requests for certificates have been filed prior to construction, as the State Act requires. Griswold Capitol Park LLC applied for the certificates, prior to the issuance of building permits, on behalf of future owners who will occupy the property. It is appropriate for them to apply for certificates at this time even if buyers have not yet been identified. The State Tax Commission, however, will not issue a certificate until an owner is identified. When an owner is identified, he or she can then apply for the certificate. At that time, it would not be necessary for City Council to pass another resolution.

The City Planning Commission staff,

therefore, recommends approval of the requested certificates in the Cadillac Residences NEZ. Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

Honorable City Council:

Re: Auto Show Temporary Signage at Cobo (RECOMMEND APPROVAL).

As in past years, the North American International Auto Show has submitted permit applications to display temporary signage on the premises of Cobo Center. The land at Cobo Arena and most of the Cobo exhibition hall is zoned in a Public Center (PC) zoning district classification; the remainder of Cobo is zoned as Restricted Central Business District (PCA).

Sec. 61-12-442 of the Zoning Ordinance allows the Buildings and Safety Engineering Department to issue temporary sign permits. Sec. 61-3-187 of the Zoning Ordinance requires "special district review" by City Planning

Commission (CPC) and the Planning and Development Department (PDD) and approval by your Honorable Body for any exterior work, including signage, on buildings in the PC and PCA districts.

CPC and PDD staff have reviewed the proposed signage, finds that it would be consistent with the spirit, intent, and purpose of the PC district, and recommend that City Council authorize the Buildings and Safety Engineering Department to issue the appropriate temporary sign permits.

Respectfully submitted,  
MARCELL R. TODD, JR.

By Council Member S. Cockrel:

#### MEMBER REPORTS

##### CONYERS

1. Wished a 100th Founders Day to her sorority (Alpha Kappa Alpha Sorority, Inc.) and reminded everyone to vote today.

2. Advised of parking issues near Dr.

Heidelberg's Office. It seems that parking attendants have been ticketing citizens for "parking in the curb", when there is no curb at the location. She will be submitting something in writing to Council Member Tinsley-Talabi's Office.

3. Conyers went back to the questions she had asked earlier relative to what the process is when people default on their tax statement. She remarked as follows: it has come to my attention that it's kind of like a breach of contract, which is what I was alluding to. Although there is one such enforcement when it goes to the State, there is different set of enforcements when it comes to the City of Detroit. The question I asked was correct that we can go after these companies for all of our money because if they've not followed what they said they were going to do as far as the tax abatement, the people of the people of the City of Detroit have not only been cheated out of money but also jobs for our residents. So, I'm asking that Research and Analysis, once they send these letters out and the ones that do come here and ask for a hearing, we ask these questions to them and let them know that if they don't comply that these are our remedies and that we will go after them to get all of our money back. She will be submitting this request in writing, but wanted it noted for the record. She wants the residents of the City of Detroit to know that there are other possibilities out there other than just going to the State. We have our own set of remedies other than the State of Michigan.

##### WATSON

1. In honor of the actual birthday of Reverend Dr. Martin Luther King, the Quality of Life Task Force is sponsoring a meeting, **Justice for All**, in the 13th floor auditorium (immediately following the formal session) to continue to work to lift up a jury of our peers in Wayne County.

##### COLLINS

1. Advised that the resolution to remove the parking meters on Woodward between Milwaukee and W. Grand Boulevard was something she had sponsored in the 1980's to assist the businesses that were suffering in that location. There have been numerous complaints from merchants in the New Center Area that over zealous parking attendants are hurting their business. In her opinion, that one block couldn't possibly be raising that much revenue for the City of Detroit. So, she urged the chair of the Public Health and Safety Committee to consider this when it comes to her committee.

2. Submitted a memorandum to colleagues requesting nominations for the Community Advisory Committee and the Detroit Brownfield Redevelopment Authority. She asked that those nominations be forwarded as soon as possible to the Brownfield Authority.

3. Submitted a memorandum to Chief of Police Ella Bully-Cummings requesting the RFP and/or RFQ for towing services.

4. Submitted a Resolution in Memoriam for Ramona Brooks to be voted on today.

#### **TINSLEY-TALABI**

1. Requested a compilation of the events around the upcoming Reverend Dr. Martin Luther King Holiday. Members were urged to forward this information to the President's Office so it could be scrolled.

2. Advised that she would be speaking next Monday at a breakfast being held at Eastern Michigan University for Dr. Martin Luther King Day.

#### **REEVES**

1. Advised that she had attended the Grand Opening of the new CVS located inside the Renaissance Center.

2. Submitted a memorandum relative to the presentation of a Testimonial Resolution.

#### **JONES**

1. Advised that she, Council Member Kenyatta along with representatives from Council President Pro Tem. Conyers Office and Council Member Tinsley-Talabi's Office had attended the installation of the new School Board Members.

2. Announced that a Federal Judge had moved late Monday to temporarily halt the plans for Comcast to move local public access channel to digital. She had heard from citizens who expressed concern about being unable to watch the council meetings.

3. Asked if the new date for the evening community meeting was being scrolled? She had received calls from people who still thought the evening meeting was going to be tonight. If not, she asked that it be scrolled along with the location. **Rory Bolger of the City Planning Commission was directed to make sure the meeting gets scrolled.**

4. Announced the Skilled Trades Task Force would still be meeting from 4:00 p.m. to 6:00 p.m. on that same day.

#### **S. COCKREL**

1. Requested on behalf of the City Council's Disability Task Force that the media people scroll an advertisement for a program that the public schools are having — The Office of Specialized Student Services. It is a special informational meeting to share strategies to assist parents of children with disabilities who are transitioning from the Middle School to High School and High School students who are transitioning out of school, which will be at the DPS Welcome Center. One event will be held January 16th and again on April 16th. She will be providing the information.

Honorable City Council:

Re: Resolution in Support of House Bill 4044 to Repeal Law Banning Lawsuits Against Pharmaceutical Manufacturers and Sellers.

Pursuant to the request of Honorable Council Member Martha Reeves, please find attached Resolution in Support of House Bill 4044 to repeal the current law in Michigan that prohibits product liability lawsuit against pharmaceutical manufacturers and sellers. Michigan is the only state in the country with this type of law. Recent news articles indicate that although the Bill passed in the State House of Representatives, it has been held in the Senate Committee on Judiciary for almost a year.

The Research and Analysis Division also attaches two news articles with regard to this issue for this Honorable Body's review.

Respectfully submitted,

DAVID D. WHITAKER

Director

**RESOLUTION**

**IN SUPPORT OF HOUSE BILL 4044  
TO REPEAL LAW BANNING LAWSUITS  
AGAINST PHARMACEUTICAL  
MANUFACTURERS AND SELLERS**

By Council Member Reeves:

Whereas, The current 1961 Public Act 236, *Revised Judicature Act of 1961*, as amended by 1995 Public Act 249, prohibits the filing of a product liability lawsuit against pharmaceutical manufacturers or sellers in the State of Michigan if the drug was approved by the United States Food and Drug Administration; and

Whereas, The State of Michigan is the only state in the United States of America with a ban on this type of legal action; and

Whereas, The citizens of the City of Detroit and the State of Michigan should be entitled to legal recourse for injuries suffered as a result of defective or unreasonably dangerous medications, as are the citizens of all other states in the United States of America; and

Whereas, House Bill 4044 was passed in the State House of Representatives and is currently being held in the Senate Committee on Judiciary; and

Whereas, The existing ban in Michigan on product liability lawsuits against pharmaceutical manufacturers and sellers has not encouraged pharmaceutical businesses to establish headquarters, laboratories or manufacturing facilities in the State; and the only effect on the ban has been a lack of legal recourse for harm suffered by Michiganders; Now Therefore Be It

Resolved, That the Honorable Detroit City Council *strongly supports* House Bill 4044 which eliminates the specific prohibition on product liability lawsuits against pharmaceutical manufacturers and sell-

ers currently in 1961 Public Act 236, *Revised Judicature Act of 1961*, as amended by 1995 Public Act 249; And Be It Finally

Resolved, That the Detroit City Council directs the City Clerk to forward this resolution to Governor Jennifer M. Granholm, the Honorable Kwame M. Kilpatrick, the entire Michigan State Senate, and the City of Detroit's State Lobbyist.

Honorable City Council:

Re: Address: 6725 Rutland. Name: Timothy J. Smith. Date ordered removed: March 23, 2005 (J.C.C. p. 946).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on November 5, 2007 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due at closing.

The proposed use of the property is rehabilitation and sale.

This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of three months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial

progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

Council Member Collins indicated that last week she submitted two (2) memos and asked for a report in one (1) week: one was to remove the parking meters on Woodward Avenue between Milwaukee and the Boulevard to facilitate people shopping inside the City of Detroit instead of going to the suburbs where there are no parking meters; and a request from the Police Chief to consider going back to precincts within the community.

Council Member Collins requested that the Law Department to tell her exactly what action they are taking on Historic Brick on Chene Street between Alexandrine and Leland.

## Invocation

Dear heavenly and most Holy Father. We first and foremost stop to say thank You. Thank You for waking us up this morning and allowing us to see another day; a day that was not promised, but because of Your mercy and grace, we are able to stand in Your presence on today.

I asked God that You will look upon us. Look upon each member of this council as they come together to lead, guide, and direct the affairs of our great city. With all the un-answered questions, so-called scandals, and turmoil that seem to continuously plague this city, we ask for mercy. I asked God that You will unify each member this council as one — that they will be consumed with the building and restoration of this city.

Father, You have said in Your word that no city divided against itself will last or continue to stand. Therefore, in the name of Jesus we cast away the spirit of division and every dark cloud over our city. We cancel all assignments and effects that come against this city. We loose unity, harmony, peace, and prosperity in Jesus name we pray. AMEN!

#### City Planning Commission

January 7, 2008

Honorable City Council:

Re: Recommendations for three (3) appointments to the Citizen Review Committee (Recommend Appointments).

There are currently six (6) vacancies on the Citizen Review Committee (CRC) due to the expiration of the terms of Clara Newman and the resignation of Ed Anderson, James Long, Karriem Muhammad, Lerrlyn Nelson, and Shawn Smith due to conflicts of interest in January 2007. The CRC can function effectively with a minimum of six (6) to a maximum of eleven (11) members. The City Planning Commission (CPC) has interviewed candidates and is recommending three persons to fill three of the six available openings. The CRC openings are for three-year terms that will expire on June 30, 2010.

Staff of the City Planning Commission solicits applications through a citywide mailing every two years. The most recent applications were solicited on September 26, 2007 and a total of 13 applications

were received. However, due to the newly enforced conflict of interest policy most of the applicants were ineligible. City Planning Commission staff reviewed and selected three eligible new candidates and one incumbent to be interviewed. Applicants were selected based on their grass-roots community involvement, their history of involvement in community development issues, and their understanding of grant applications and of the Neighborhood Opportunity Fund (NOF) proposal review process as well as their willingness and availability to serve.

On November 15, 2007, the City Planning Commission approved the staff recommendation of one new CRC member and one incumbent member. However, the Commission was only concerned that with the approval of these two candidates CRC membership would only increase to seven (7) members. As a result, the Commission took an action directing staff to seek additional candidates in an effort to bring the CRC membership to nine (9). Two more candidates were solicited, but the Commission was only able to interview one and is recommending this candidate as well. In total, the Commission is recommending one incumbent and two new members which will be adequate for the CRC to conduct business.

The Commission is requesting that incumbent Clara Newman, as well as newcomers Sofia Moore and Ishmail Terry, each be appointed to serve for three-year terms ending on June 30, 2010.

- Ms. Clara Newman, 18215 Wisconsin, has completed her first term on the CRC and has been a member of the CRC since 2004; she currently resides in the North Central Detroit area.

- Ms. Sofia Moore, 5529 Cranshaw, is a new applicant and resides on the West side of Detroit.

- Mr. Ishmail Terry, 7627 Faust, is a new applicant and resides on the West side of Detroit.

#### Recommendation

The City Planning Commission recommends that Clara Newman, Sofia Moore and Ishmail Terry be appointed to serve as members of the Citizen Review Committee for three-year terms ending June 30, 2010. The appropriate resolution is attached for your consideration.

STATEMENT OF COUNCILWOMAN SHEILA M. COCKREL OPPOSING RESOLUTION THAT STATES THE PRESIDENT PRO-TEMPORE SHALL BE EX-OFFICIO ON ALL COMMITTEES IN THE ABSENCE OF THE PRESIDENT

I voted in opposition of the resolution that states the President Pro-Tempore

shall be an *ex-officio* member on all City Council Standing Committees. This resolution is inappropriate since the City Council Rules and Order of Business adopted by this Council dictate the rights and privileges of members on Standing Committees. Attorney General Opinion 5183 states that where an ex-officio member of a committee is authorized to appoint or designate another person to represent him or her at a meeting the designee is the proper attendant at the meeting. Our Rules do not state that the *ex-officio* member of a Standing Committee is authorized to appoint or designate another person to represent him or her at a Standing Committee meeting. Attorney General Opinion 5183 demonstrates the difference between the succession by rank in our Rules when the President is absent *versus* the rights of the Ex-Officio member, which is not addressed in our Rules. This distinction significant and renders the aforementioned resolution improper. Although our Rules state the president Pro-Tempore serves in the absence of the President, this does not mean that the President Pro-Tempore becomes the *ex-officio* member of every standing committee simply because under our rules the *ex-officio* happens to be the president.

Honorable City Council:

Re: Proposed Ordinances to Amend 1) Chapter 11 of the 1984 Detroit City Code, *Cigarettes*; Chapter 33 of the 1984 Detroit City Code, *Minors*; and 3) Chapter 38 of the 1984 Detroit City Code, *Offenses, Miscellaneous Provisions*.

At the request of your Honorable Body, through Council President *Pro Tem*. Monica Conyers, the above-referenced proposed ordinances to amend Chapters 33 and 38 were transmitted on December 3, 2007. Subsequently, your Honorable Body, through Council Member Kwame Kenyatta, requested that an ordinance be drafted to prohibit the use of hookah pipes by minors. After discussions with Council Research and Analysis Division, an amendment regarding Chapter 11, and the inclusion of a prohibition of possession on hookah pipes by minors is being proposed to be included in Chapter 33, *Minors*, thereby resulting in offenses committed by minors being located in one chapter of the City Code.

This proposed ordinance to amend Chapter 33 defines, among other things, the term 'public place' and disallows minors from congregating either in a supervised or in an unsupervised public place during school hours, and includes

the prohibition of tobacco use and hookah pipes by minors, while the proposed ordinance to amend Chapter 11 repeals language that will be incorporated into Chapter 33. This will make the provisions regarding minors more accessible and user-friendly by placing them in the same chapter. In addition, the proposed ordinance to amend Chapter 38 will work to provide a safer school environment for all schools located within the City by extending the time that unauthorized individuals are prohibited from being on school grounds as well as by negating the requirement that an unauthorized person be asked to leave the premises prior to being issued a misdemeanor violation.

Pursuant to the applicable provision of the 1997 Detroit City Code, the above-referenced proposed ordinances are being submitted to your Honorable Body for consideration. We are available to answer any questions that you may have concerning these proposed ordinances. Thank you for your consideration.

Respectfully submitted,  
JOHN E. JOHNSON, JR.

Honorable City Council:

Re: Proposed Ordinances to Amend 1) Chapter 11 of the 1984 Detroit City Code, *Cigarettes*; Chapter 33 of the 1984 Detroit City Code, *Minors*; and 3) Chapter 38 of the 1984 Detroit City Code, *Offenses, Miscellaneous Provisions*.

At the request of your Honorable Body, through Council President *Pro Tem*. Monica Conyers, the above-referenced proposed ordinances to amend Chapters 33 and 38 were transmitted on December 3, 2007. Subsequently, your Honorable Body, through Council Member Kwame Kenyatta, requested that an ordinance be drafted to prohibit the use of hookah pipes by minors. After discussions with Council Research and Analysis Division, an amendment regarding Chapter 11, and the inclusion of a prohibition of possession on hookah pipes by minors is being proposed to be included in Chapter 33, *Minors*, thereby resulting in offenses committed by minors being located in one chapter of the City Code.

This proposed ordinance to amend Chapter 33 defines, among other things, the term 'public place' and disallows minors from congregating either in a supervised or in an unsupervised public place during school hours, and includes the prohibition of tobacco use and hookah pipes by minors, while the proposed ordinance to amend Chapter 11 repeals language that will be incorporated into Chapter 33. This will make the provisions regarding minors more accessible and user-friendly by placing them in the same chapter. In addition, the proposed ordinance to amend Chapter 38 will work to provide a safer school environment for all schools located within the City by extending the time that unauthorized individuals are prohibited from being on school grounds as well as by negating the requirement that an unauthorized person be asked to leave the premises prior to being issued a misdemeanor violation.

Pursuant to the applicable provision of

the 1997 Detroit City Code, the above-referenced proposed ordinances are being submitted to your Honorable Body for consideration. We are available to answer any questions that you may have concerning these proposed ordinances. Thank you for your consideration.

Respectfully submitted,

#### **PUBLIC COMMENTS:**

**BYNA CAMDEN** spoke in favor of the 8 Mile/Woodward Corridor proposed ordinance.

**SEAN KOSOFSKY**, of the Triangle Foundation, spoke in favor of the resolution drafted by Council President Kenneth Cockrel, Jr. relative to the World's Largest Annual Gay and Lesbian Conference to be held at the Renaissance Center starting February 6, 2008.

**BARBARA SMITH:** There was a forgery on the deed of my property located at 18867 Concord, Detroit, MI and I filed a complaint with the Police Department on July 20, 2005. I filed a civil complaint and prevailed on the case of \$128,000 which I haven't collected yet; however,

my complaint is with the Police Department that never pressed criminal charges against the forger which caused a problem in the Register of Deeds because now it still appears as if my property is under the control of the mortgage company Aames and they won't relinquish my deed, so I had to file another lawsuit against them. The problem is the forger put in an Affidavit of Lost Deed on top of a forged deed and I have documentation to support that it was a forgery. I also presented with the court a forensic scientific analysis proving that it was a forgery and the Police Department has still not pressed criminal charges against all parties. As a matter of fact, I have the police report here in my possession and I would like something to be done to expedite it, but actually it has been 2-1/2 years since I filed the complaint.

**WATSON:** *I think we may want to ask the Law Department to take over this issue to examine all of the evidence she has supplied today and provide a written report to us in two weeks as to the dispensation on behalf of the citizen and also on behalf of the city.*

**K. COCKREL:** *I want this issue officially referred to the Committee of Health and Public Safety so that we can track it from there and the response from the Law Department can be forwarded to the chair of that committee.*

**KENDRA WASHINGTON**, of A.C.O.R.N., spoke regarding the 8 Mile/Woodward Corridor Project Ordinance and suggested to City Council that they require General Growth Properties provide minimal property value, retail sales, and employment numbers. And, also demand they adhere to the Living Wage Ordinance.

**JAMSIE MORGAN**, of A.C.O.R.N., asked with regards to General Growth Properties and the 8 Mile/Woodward Corridor Project Ordinance, that the company complies with the Living Wage Ordinance in the City of Detroit and agree, in writing to some of A.C.O.R.N.'s recommendations and suggestions.

**BORBOR SHERMAN** spoke in favor of Mayor Kwame Kilpatrick.

**PATRICIA HOLLINS**, President of Eastside A.C.O.R.N. expressed concern that they want to make sure General Growth Properties do what they said they were going to do as it relates to the Living Wage Ordinance.

**TIM EGAN**, of A.C.O.R.N., submitted written documents (on file in the City Clerk's Office) outlining concerns

regarding General Growth Properties and the 8 Mile/Woodward Corridor project and asked that A.C.O.R.N.'s concerns be added to the proposed ordinance as amendments.

#### INTERNAL OPERATIONS STANDING COMMITTEE RESOLUTION

By COUNCIL MEMBER KENYATTA:

WHEREAS, During the course of Mayor Kwame M. Kilpatrick's administration, there have been recurring allegations of financial mismanagement of public funds in the Office of the Mayor of the City of Detroit; and

WHEREAS, Recent events have revealed serious allegations of possible misuse of public funds by the Mayor and/or members of his staff; and

WHEREAS, As stewards of the public trust, the Detroit City Council has determined that it is imperative that a full financial audit into the administration and operation of the Office of the Mayor of the City of Detroit be conducted forthwith; and

WHEREAS, Section 4-205 of the Charter of the City of Detroit provides, in pertinent part, that the Auditor General is empowered to make audits of the financial transactions of all City agencies as directed by the Detroit City Council, as well as to subpoena witnesses, administer oaths, take testimony, require the production of evidence relevant to a matter under investigation, and enter and inspect premises within the control of any agency during regular business hours; and NOW THEREFORE BE IT

RESOLVED, That consistent with the powers and duties set forth in Section 4-205 of the Charter of the City of Detroit, the Honorable Detroit City Council hereby directs the Office of the Auditor General to conduct an audit in order to investigate the financial administration and operation of the Office of the Mayor of the City of Detroit and any other financial transactions in other City departments related to this audit for the period of January 1, 2002 to the present, and to report all findings and recommendations to this Honorable Body as expeditiously as possible; and BE IT FURTHER

RESOLVED, That the Office of the Auditor General shall conduct an audit of all financial transactions of the Office of the Mayor (for the period of January 1, 2002 to the present) including, but not limited to, any and all legal expenses (for legal services by outside counsel or the Corporation Counsel/defense/settlement/judgments) related to the Office of the Mayor as well as financial transactions in other City departments related to this audit; and BE IT FURTHER

RESOLVED, That the City Council Research and Analysis Division is hereby directed to assist the Office of the Auditor

General with the preparation of appropriate subpoenas for the production of documents, records, and/or witnesses, as necessary, regarding the investigation of the Office of the Mayor of the City of Detroit and other City departments related to this matter; and BE IT FINALLY

RESOLVED, That the Detroit City Council hereby authorizes the attorneys of the Research and Analysis Division to seek judicial enforcement of any subpoenas issued, where and whenever required, with regard to the above-referenced matters.

Adopted as follows:

Yeas — Council Members Collins, Jones, Kenyatta, Reeves, Tinsley-Talabi, Watson, and President K. Cockrel, Jr. — 7.

Nays — Council Members S. Cockrel — 1.

STATEMENT BY COUNCIL MEMBER  
SHEILA M. COCKREL IN OPPOSITION  
TO THE RESOLUTION DIRECTING  
THE AUDITOR GENERAL TO  
CONDUCT AUDITS OF THE OFFICE  
OF THE MAYOR AND THE LAW  
DEPARTMENT

I voted in opposition to the resolution, in the form presented at the Formal Session of the Detroit City Council on February 5, 2008, directing the Auditor General to conduct financial audits of the Office of the Mayor and the Law Department. First and foremost, I **do not** oppose the City Council exercising its charter-mandated powers under the Detroit City Charter to direct the Auditor General to conduct a financial audit of either the Office of the Mayor or the Law Department. I, too, have serious concerns and questions about the appropriateness of alleged confidential agreements between private parties as it relates to the expenditure of public funds, demarcation of legal fees for representation of the City in civil matters and representation of City officials in criminal or private matters, and expenses incurred for personal activities and travel. These inquiries must be made; however, they must be made at the proper time, following the language of the City Charter, and after this City Council has received a proper legal opinion from outside counsel.

The resolution, in the form presented at the Fomal Session, exceeds the City Council's powers under the Charter and the scope of the Auditor General's responsibilities. Under Section 4-205 of the Charter, City Council has the power to direct the Auditor General to conduct financial audits. However, this resolution directs **areas of inquiry** the Auditor General shall investigate in its audit; and I believe that we do not have the right to do so. The Auditor General is an independent and objective government agency that is not controlled by either branch of government.

The normal scope of duties of the Auditor General does not include con-

ducting forensic legal audits or utilizing the high degree of legal expertise required to audit settlements and judgments in litigation matters, as this resolution proposes. This is a highly specialized area of review, and I concur with the Auditor General's suggestion that a special auditor be retained for this purpose.

Further, the resolution directs the City Council Research and Analysis Division to assist the Auditor General with the preparation of legal documents to conduct its investigation and to seek judicial enforcement of subpoenas if required. The City Charter clearly states at Section 4-206; "Except as otherwise provided in this Charter, **the auditor general shall not have any connection with any city agency**, nor be custodian of any cash or securities belonging to the city other than the appropriation to the office." To suggest that the Research and Analysis Division and the Auditor General work together on the audit, I believe, is a clear violation of the City Charter. The Auditor General, under Section 4-205.4, possesses the power to subpoena witnesses, administer oaths, take testimony, etc., and to apply to the appropriate court to enforce such actions. In the event the Auditor General must exercise the powers enumerated under Section 4-205.4, it may retain outside counsel to do so.

There may also be a conflict of interest if the Research and Analysis Division attorneys assist the Auditor General while concurrently advising the City Council on related issues. I firmly believe the objectivity of the audit will be compromised and come under attack if the City Council's Research and Analysis Division assists the Auditor General.

Further, the Detroit Free Press filed a FOIA lawsuit against the City of Detroit regarding alleged confidential agreements and the settlement of the *Brown, Nelthrope* and *Harris* cases. There may be questions as to what roles in-house and outside counsel played in representing the City's interests while simultaneously representing the Mayor individually, to the extent this may have occurred, which may also become a part of the audit. Given how the *Detroit Free Press* case is proceeding and the potential for appeals, I believe the case must be resolved prior to City Council directing the Auditor General to conduct the proposed financial audits.

Last, and equally important, I believe this City Council should not proceed further on any matters with regard to an investigation, audit, or analysis of matters involving the Office of the Mayor, the Law Department, or the City's outside legal counsel until Council retains its own outside special counsel. The City Council requires outside special counsel, separate from the Research and Analysis Division attorneys, and separate from out-

side special counsel that the Auditor General may deem necessary. The proposed actions to date have all been made without the benefit of legal opinions regarding the multitude of issues before us. In order to best serve the citizens of Detroit, we must not act precipitously; rather, we must make properly informed decisions considering all legal ramifications.

For all of the above reasons, I vote "no" on the aforementioned resolution.

KENYATTA:

RESOLVED, That the Detroit City Council urges the City of Detroit Law Department, and if needed an outside attorney, to launch a legal challenge to the State law that prohibits the City of Detroit from demanding residency of all of its employees.

#### **FACT SHEET TO SUPPORT THE REINSTATEMENT OF RESIDENCY IN THE CITY OF DETROIT**

January 25, 2008

By Council Member Watson:

- Detroit's right to mandate Residency as a Home Rule provision was rendered null and void by state legislation signed by Gov. Engler during the era of Mayor Archer as a result of fierce lobbying by Firefighters union & Police union.

- As a consequence of said action, the current demographics of uniformed employees reveals that nearly 60% of uniformed employees and a growing percentage of other employees and appointees are non residents of Detroit

- Several municipalities, like Chicago, successfully fought to maintain residency at the federal level, and the right of municipalities to demand residency has been sustained by the U.S. Supreme Court

- Detroit's deficit can, in part, be traced to the systematic fiscal challenges which emerge from the city paying millions to a population which does not recycle the funds inside the city via mortgages, retail, commerce and tax-base

- Homeland security issues should compel the city to require safety and security officials to live in close proximity to their employer for anti-terrorist issues

- The City is one of the three largest employers in Detroit. Therefore, since the City employs 60% non-residents in its uniformed positions, Detroit's tax-paying residents are by default being denied equal access to jobs their taxes pay for

- Ever since Council Member Watson and others demanded that the Firefighters class be investigated for only admitting 3 Detroit residents in a class of 32 persons, and a class with no women & no Middle-Easteners; and sponsored an ordinance to add 15 points to applications from Detroit residents — the Firefighters

have not established another Firefighters Class — and it's been 3 years! Think of how many Detroit residents could have been accessed to gainful employment as Firefighters during this period!

- Detroit employees who are residents would be residing in neighborhoods which need and deserve to be repopulated to eliminate blight, vacancies

- When city employees live in the city where they work, there is demonstrated loyalty, commitment and a clear bond to the community which they are paid to serve

- The public schools would benefit, the small businesses and commerce in the city would benefit

- The city's fiscal deficit would be positively impacted and the city's internal and external image would improve

- City services would improve if those responsible for security and safety, water main beaks, public lighting, public transportation, trash pickup, health care and environmental protections all lived in the city

- If the City sued the State of Michigan to reinstate residency, legal precedence has already sustained the potential of success (see attached)

- If you get paid in Detroit, you should live in Detroit, and the city needs greater # of homeowners, professionals, small business owners & stronger tax base

Adopted as follows:

Yeas — Council Members Collins, Jones, Kenyatta, Reeves, Tinsley-Talabi, Watson, and President K. Cockrel, Jr. — 7.

Nays — Council Members S. Cockrel — 1.

#### **PLANNING AND ECONOMIC DEVELOPMENT STANDING COMMITTEE Taken from the Table**

Council Member Collins, moved to take from the table an ordinance to amend Chapter 14 of the Detroit City Code, by adding a new Article XI, to be numbered Section 14-11-1 through Section 14-11-4, to redevelop the city's commercial corridors pursuant to Act No. 280 of the Public Acts of 2005, as amended [MCL 125.2871 et. seq.], to be known as the Eight Mile/Woodward Corridor Improvement Authority of the City of Detroit; to prescribe its powers and duties; to establish the boundaries of the qualified development area; and to provide for the adoption of its by-laws, etc.

The Ordinance was then placed on the order of third reading.

**THIRD READING OF ORDINANCE.**

The title to the Ordinance was read a third time.

The Ordinance was then read.

The question being "Shall this Ordinance Now Pass"?

The Ordinance was passed, a majority of the Council Members present voting therefore as follows:

Honorable City Council:

Re: Resolution Establishing a Temporary Moratorium on Consideration of Requests For Approval or Disapproval of Petitions For Activity Permits For Any Nonconforming Cabaret 'A's, 'B's, 'C's, or 'D's Referred to The City Council by The Michigan Liquor Control Commission.

Pursuant to the applicable provisions of the 1997 Detroit City Charter, the above-referenced proposed resolution is being submitted to your Honorable Body for consideration and adoption. This proposed ordinance is the result of collaboration among the Law Department, the Council Research and Analysis Division, and the City Planning Commission.

We are available to answer any questions that your Honorable Body may have concerning this proposed resolution. Thank you for your consideration.

Respectfully submitted,  
JOHN E. JOHNSON, JR.

Corporation Counsel

By Council Member Collins:

Whereas, Section 916(10)(b) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(10)(b), requires that, except in cities with a population of 1,000,000 or more, the local legislative body of the jurisdiction within which the premises is located, must approve the issuance of a Michigan Liquor Control Commission (MLCC) activity permits;

Whereas, Prior to the 2000 census, the population of the City of Detroit was more than 1,000,000 and, therefore, the Detroit City Council was not authorized to review and to approve or to disapprove the issuance of MLCC activity permits in accordance with Section 916(10)(b) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(10)(b) and its predecessor law;

Whereas, After the 2000 census, the population of the City of Detroit dropped below 1,000,000;

Whereas, Since 2002, after the 2000 census became official, Section 916(10)(b) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(10)(b), has required the Detroit City Council to approve or to disapprove requests for the issuance of MLCC activity permits, which include dance permits, entertainment permits, dance-entertainment permits, and topless-activity permits as referred by the MLCC;

Whereas, Section 916(10)(b) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(10)(b), does not contain specific criteria to guide the Detroit City Council in making a decision to approve or to disapprove the issuance of MLCC activity permits;

Whereas, On August 1, 2003, the Detroit City Council unanimously adopted a resolution, which adopted procedures and criteria to guide the Council's consideration of requests to approve or to disapprove MLCC activity permits;

Whereas, On July 7, 2004, the Detroit City Council unanimously adopted a resolution, which, among other things, recognized the secondary effects of such establishments on abutting neighbors and established conditions for approval of MLCC special activity permits by the City Council;

Whereas, It has been the experience of the City Council, when exercising the Body's responsibility in approving and disapproving activity permits, that the procedures and criteria appear to be inadequate and need to be revised;

Whereas, The Detroit Zoning Ordinance, being Chapter 61 of the 1984 Detroit City Code, defines nonconforming uses as those existing land uses that are located in districts and areas where the current Zoning Ordinance does not list them as uses permitted by right or conditionally;

Whereas, Most adult uses in the City of Detroit are nonconforming uses;

Whereas, Many of the current nonconforming Cabaret 'D's, which provide adult entertainment, are located in business zoning districts that are typically adjacent to or within five hundred (500) feet or less of a residential neighborhood, which is susceptible to the same secondary effects that the City sought to address in its 1972 amendments to the Detroit Zoning Ordinance;

Whereas, Many of the current nonconforming Cabaret 'A's, Cabaret 'B's, and Cabaret 'C's, are nonconforming because they are located on land zoned from the B4 (General Business zoning district classification) to the B2 (Local Business and Residential zoning district classification) subsequent to a major study by the City — the Commercial Land Utilization Study (the "B2/B4 Study," January 25, 1974) — stemming from neighborhood concerns over "the increase in the number of bars and other potentially abrasive commercial activities";

Whereas, As provided for in Section 61-15-2 of the 1984 Detroit City Code, the Detroit Zoning Ordinance, it is the policy of the City of Detroit that nonconforming uses be eliminated over time;

Whereas, On August 1, 2003, Detroit City Council unanimously adopted two (2) resolutions expressing City policy on nonconforming uses of land, acknowledging the excessive number of on-premises and off-premises liquor establishments that continue to exist in the City of Detroit

despite a decrease in population, and adopting procedures and criteria to guide the Council's consideration of requests to approve or to disapprove MLCC activity permits;

Whereas, It has been the experience of the City Council when exercising the Body's responsibility in approving and disapproving MLCC activity permits is that procedures and criteria appear to be inadequate and need to be revised;

Whereas, Concerns have been raised by petitioning business owners, as well as abutting neighborhoods of such establishments, that the Detroit City Council's procedures and criteria have not functioned in a manner sufficient to expediently and consistently address and balance their respective rights and interests;

Whereas, Detroit City Council has determined that comprehensive review and potential revision of the procedures and criteria are necessary, critical, and in the best interest of the City; and

Whereas, Various City departments and agencies are undertaking review and revision of related ordinances as necessary;

Now, Therefore, Be It Resolved, That the Detroit City Council shall defer further consideration of Michigan Liquor Control Commission petitions for activity permits related to nonconforming uses for one hundred twenty (120) days from the date of adoption of this resolution to provide the Body with adequate time to review its procedures and criteria regarding MLCC activity permits; and

Be It Further Resolved, That the Detroit City Council will continue to consider petitions for MLCC activity permits related to conforming uses.

Adopted as follows:

Yeas — Council Members Collins, Jones, Kenyatta, Reeves, and President K. Cockrel, Jr. — 5.

Nays — Council Members S. Cockrel, Tinsley-Talabi, and Watson — 3.

**City Planning Commission**

January 23, 2008

Honorable City Council:

Re: Request of the American Civil Liberties Association (ACLU) to locate at 2962 Woodward, requiring consideration of Sec. 61-14-42 of the Zoning Ordinance (Departmental Report and Resolution).

On January 17, 2008, the ACLU submitted to the City Planning Commission (CPC) staff a request to approve the site plans and elevations for their new proposed Detroit offices at 2962 Woodward Avenue (in a former art gallery), on the southeast corner of Watson Street and Woodward Avenue, in the Brush Park neighborhood. This request came to CPC staff because the building is located in the Planned Development (PD) zoning district. The PD zoning classification calls for review of the development proposal and subsequently review for consistency with the Land Use and Development Plan and the Declaration of Restrictions in Urban Renewal area. (Sec. 61-11-12 of the Zoning Ordinance). CPC staff has

reviewed the application and submits this report and recommendation.

**REVIEW**

Sec. 61-14-42 of the Zoning Ordinance requires that: "The nearest point of the off-street parking facility shall not be more than one hundred (100) feet from the building or use to be served." In this case, the proposed office use requires more parking than the art gallery had, so additional parking had to be found. In this case, the only area available is located two lots to the east: a non-contiguous lot, located at 54 Watson. This lot is farther than 100 feet from the building.

In a non-PD district, the Board of Zoning Appeals (BZA) would hear the request to approve the use with the required parking more farther than the allowed maximum distance. However, in a PD District, rather than the BZA, City Council has the authority to review and act on all requests.

**CONCLUSIONS**

CPC and Planning and Development Department (P&DD) staff have reviewed the proposed plans and find them consistent with the Modified Brush Park Development Plan. In addition, the Brush Park Citizens' District Council (BPCDC) has reviewed and endorsed the project. The final review of both the building and parking lot site plans and elevations will be conducted by P&DD and CPC staff prior to the issuance of building permits. However, the Buildings and Safety Engineering Department cannot approve and CPC staff cannot sign-off on the plans for the building until the parking distance issue is resolved.

**RECOMMENDATION**

CPC staff has completed its review of the proposed request. It has been endorsed by the BPCDC. CPC staff finds that the non-standard distance to the off-site parking lot does not appear to be detrimental to the area or project. Therefore, we recommend approval of the development proposal.

Please find attached the appropriate resolution to effectuate your approval.

Respectfully submitted,  
MARCELL R. TODD, JR.  
Director  
GREGORY F. MOOTS  
Staff

By Council Member Collins:

Whereas, The American Civil Liberties Union (ACLU) has requested to locate its Detroit offices at 2962 Woodward Ave. in the Brush Park neighborhood; and

Whereas, The building is subject to provisions of the Brush Park Urban Renewal Development Plan as well as Sec. 61-11-12, the PD (Planned Development District) zoning classification of the Zoning Ordinance of the City of Detroit; and

Whereas, Sec. 61-14-42 of the Zoning Ordinance requires that: "The nearest

point of the off-street parking facility shall not be more than one hundred (100) feet from the building or use to be served;" and

Whereas, A portion of the required parking is located on a non-contiguous lot located at 54 Watson, farther than 100 feet from the building; and

Whereas, In a PD District the Board of Zoning Appeals has no jurisdiction to hear dimensional variances, as would normally be the process to follow in such a case; and

Whereas, City Planning Commission staff finds that the non-standard distance between the principal use at 2962 Woodward Avenue and the remote accessory parking lot at 54 Watson Street is, in this case, appropriate and sufficient for the development and in the best interest of the City;

Now, Therefore, Be It Resolved, That the Detroit City Council authorizes the use of 54 Watson Street as a remote accessory parking lot for 2962 Woodward Avenue subject to review and approval of final plans by City Planning Commission staff.

December 20, 2007

Honorable City Council:

Re: Address: 3966 Trumbull. Name: Harold Belanger. Date ordered removed: June 4, 2003 (J.C.C. pg. 1633).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on December 4, 2007 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of the closing.

The proposed use of the property is rehabilitation and sale.

This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of three months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

#### NEW BUSINESS Finance Department Assessment Division

January 29, 2008

Honorable City Council:

Re: 2008 Guidelines for Property Tax Exemption.

The Citizens Board of Review revised the income guidelines, which are to be

used in evaluating 2008 petitions for poverty exemption from property taxes. The enclosed procedures and guidelines are being submitted to your Honorable Body for adoption pursuant to Public Act 390 of 1994.

The Board of Review will begin processing petitions for poverty exemption on or about February 8, 2008 and therefore, will need to have guidelines adopted by your Honorable Body on or before that date.

Respectfully submitted,

ELOREEN SMOTHERS

Manager I

By Council Member S. Cockrel:

Whereas, Pursuant to P.A. 390 of 1994 Sec 7u the governing body of the local assessing unit shall determine and make available to the public the policy and guidelines the local assessing unit uses for the granting of exemption under this section.

Whereas, The attached documents have been developed by the Board of Review for reviewing petitions for the year 2008, Now Therefore Be It

Resolved, That the attached document is approved for use in reviewing poverty petitions for the year 2008.

#### Detroit Citizens Board of Review Process for Reviewing Poverty Exemption Application

1. The Applicant must **own and occupy** the Property as their primary Homestead.

2. A Homestead with a Taxable Value of \$110,000, and above will not be considered for exemption unless there are extenuating circumstances. All Homesteads must have been owned for a minimum of three years unless verification proves a substantial loss of income since the date of purchase. **Any applicant with this set of circumstances must submit signed legal and/or medical documentation to the Board of Review.**

3. Taxpayer's household income that does not exceed \$2,500 over the stated guidelines for full exemption can be granted a fifty-percent (50%) partial exemption.

Applicant is required to complete a 5-page application form along with required documentation verifying family composition, all sources of annual income, i.e., rents, Family Independence Agency grants, Michigan Homestead credit, medical and household bills, all other assets, bank statements and other pertinent data requested on the application. A copy of application is attached.

The Applicant is required to submit to the Board of Review the federal and state income tax returns for all persons residing at the property, including any property tax credit returns, filed in the immediately preceding year or in the current year or submit the enclosed affidavit explaining why no income tax returns were filed. **The applicant is also required to submit to the Board of Review the most current**

**report card (or a transcript) for all school aged persons residing at the property.**

4. HOUSEHOLD (RELATED AND NON-RELATED) COMPOSITION AND ANNUAL INCOME — While recognizing that there is no universally agreed upon view as to what constitutes poverty, the Detroit Board of Review has established the following maximum eligible income as a "guideline" and as an aid in eliminating subjective judgments for reviewing 2008 petitions.

<b>Number in Household</b>	<b>Maximum Income for Full Exemption</b>	<b>Maximum Income for Partial Exemption</b>
0-1	\$14,160.00	\$16,660.00
2	\$17,450.00	\$19,950.00
3	\$19,600.00	\$22,100.00
4	\$23,100.00	\$25,600.00
5	\$28,668.00	\$31,168.00
6	\$29,890.00	\$32,390.00

Add \$3,667.00 to the income limit for each household member above six.

In addition, the total household assets (i.e. bank accounts, rental properties) shall not exceed \$5,000.

5. Each application is reviewed as to its individual circumstances based upon all facts submitted by the applicant. The Board of Review in judging the taxpayer's ability to meet the tax obligation utilizes all information. If the taxpayer is within the above guidelines, the taxpayer will be granted an exemption. If the taxpayer is outside the above guidelines, the exemption will usually be denied.

If the taxpayer shows extraordinary circumstances that are substantial and compelling, the Board of Review may deviate from the above guidelines and grant or deny a full or partial exemption. In such an instance, the taxpayer shall be advised in writing of the substantial and compelling reasons for the granting or denying of an exemption and the reasons shall also be noted on the application. These guidelines are in accordance with the amendments to Section 7(u) of M.C.L.A.211. et seq.

It should be noted that each taxpayer's circumstances are considered anew each year.

Re: Petition No. 2156. Vanguard Elderly LDHA LP (Consultant: B.V.S., Ltd. — Sylvia Shelby Bradley) requesting outright vacation of remaining public alleys in the block bounded by Cameron, Chrysler Freeway, Hague and Alger.

Petition No. 2156 of "Vanguard Elderly LDHA LP" request the outright vacation of the remaining public alleys in the block bounded by Cameron Avenue, 66 feet wide, Chrysler Freeway Service Drive (I-75), Hague Avenue, 50 feet wide and Alger Avenue, 50 feet wide. The Board of Zoning Appeals (BZA) granted the land use on May 1, 2007. The BZA document is recorded in Liber 46714, Page 1101, Wayne County Records.

On November 6, 2007 City Council approved the sale of city-owned property to Vanguard Elderly LDHA LP. The land development agreement proposes to construct the 48-unit Vanguard Elderly Apartments Project.

The alley(s) vacation petition was referred to City Engineering Division — DPW for investigation (utility clearances) and report. This is our report:

The Solid Waste Division — DPW, approved the request. Traffic Engineering Division — DPW reports no objections to the public alley vacations. Building and Safety Engineering Department and Water and Sewerage Department (DWSD) remain involved in the ongoing review of "Vanguard Elderly Apartments Project" plans for building permits.

It is necessary to abandon, remove and/or reroute certain facilities of AT&T, Comcast Cablevision, DTE Energy, Public Lighting Department, and DWSD to vacate the public alley. Provisions protecting city departments and utilities are contained in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

JESSY JACOB  
Interim City Engineer

#### **RESOLUTION OPPOSING U.S. HOUSE RESOLUTIONS 2176 AND 4115**

By COUNCIL MEMBER JONES, On Behalf of COUNCIL MEMBER CONYERS:

WHEREAS, The United States House of Representatives is considering legislation — House Resolution 2176 and House Resolution 4115 — that would give federal approval to two (2) new off-reservation tribal casinos in Port Huron and Romulus, Mich.

WHEREAS, We the Detroit delegation of Michigan state lawmakers respect and support the rights of Native American governments to realize self-sufficiency through gaming operations conducted in

initial reservations or on lands that currently host Indian gaming operations pursuant to the 1993 and 1998 Michigan tribal gaming compacts.

WHEREAS, We recognize that the Bay Mills Indian Community and the Sault Ste. Marie Tribe of Chippewa Indians already own and operate a total of (8) casinos in the State of Michigan.

WHEREAS, We support Michigan voters decision to allow for three (3) state-sanctioned casinos inside the City of Detroit, with the November, 1996 passage of Proposal E.

WHEREAS, We recognize that literally thousands of permanent and temporary jobs were created in the City of Detroit as a result of the passage of Proposal E, which prescribed the framework for the Michigan Gaming Control and Revenue Act.

WHEREAS, The casinos in Detroit have already collectively invested more than \$1 billion in the City of Detroit in infrastructure alone.

WHEREAS, The Detroit casinos' collective tax contribution to the city averages about \$160 million per year and totals more than \$1 billion since their opening in 1999.

WHEREAS, The Detroit delegation of Michigan state lawmakers also supports the people of the State of Michigan's passage of Proposal 1 of 2004, which is universally interpreted to be an expression of their heartfelt desire to have more direct control over the expansion of gaming in the State of Michigan.

WHEREAS, We, as elected representatives of the residents of the City of Detroit, oppose off-reservation casinos that would unduly threaten casino investment in the City of Detroit, particularly during these most perilous of economic times.

WHEREAS, City of Detroit elected officials are desirous of more control over any decision(s) that could negatively impact our local economy and stall the conspicuous signs of rejuvenation enveloping our beloved municipality.

WHEREAS, We specifically oppose the two pending casino proposals, which we firmly believe would undermine the City of Detroit's financial future and create unfair competition for existing job providers in the City of Detroit. NOW THEREFORE BE IT

RESOLVED, That the Detroit delegation of Michigan state lawmakers urges the United States House of Representatives to oppose House Resolution 2176 and House Resolution 4115; and BE IT FINALLY

RESOLVED, That a copy of this Resolution be sent to members of the United States Congress, Michigan Governor Jennifer Granholm, Detroit Mayor Kwame M. Kilpatrick, and members of the Michigan Legislature.

**MEMBER REPORTS**

**WATSON:** We heard a disturbing report during the public comment segment on Monday from Wyoman Mitchell who is a photographer for Congressman Conyers and has done a lot of work for City Council. He was here last Thursday and made a comment during the public comment segment raising a lot of issues about tow companies where he alleged fraud and corruption. Apparently, his home was firebombed this weekend, so he appeared before the Public Health and Safety Committee alleging he was victimized, he believes, because of his statements publicly on Thursday: *therefore, I move that there be an investigation in that he made the charge here at the Council table, to the appropriate authorities within the city into the incident surrounding the fire-bombing of home this weekend.*

Motion was supported; all were in favor; motion carried.

**K. COCKREL:** The matter will be referred to the Police Department for investigation.

**WATSON:** Thank you.

**WATSON:** If you recall, last year, the City Council moved to take a half million dollars from the \$7 million that was set aside for demolition monies in the Block Grant funds to set that aside for unique summer job funding to ensure that many of our young people were able to work in the summer of 2007. I would like to move that the City Planning Commission and the Fiscal Analyst work to identify funds that the City Council can act on to help our young people work this summer similarly to the process we did last year using the Detroit Workforce Development Department and whatever else in that process. Our young people are already starting to call and send letters and certainly we can't wait until the summer is here. I'd like a response.

**S. COCKREL:** I believe the monies that were put in is for this summer's program, through the Block Grant Fund, and I guess I'd like to see the matter because it comes up under block grant which is in Planning and Economic Development, that we refer this to the Planning and Economic Development for recommendation as to working with the departments Ms. Watson identified as to what the appropriate next step would be.

**K. COCKREL:** Are you amenable with that, Member Watson?

**WATSON:** It doesn't matter. I just don't want to wait until June and have the young people knocking at the door. The whole City Council should be involved and I appreciate those city council members who helped last summer.

**S. COCKREL:** I have two matters: One, I am submitting my statement on the audit resolution today. Secondly, I have a request to the President to investigate the steps that would be necessary for this council to retain special outside legal counsel separate from Research & Analysis, for a representative to provide legal opinion to the Council on the Brown, Nelthorpe, and Harris matters, the Detroit Free Press FOIA suit, and the Flagg lawsuit, and potential conflict of interest issues between the legislative and executive branches of government. I think we should give this very careful consideration.

**K. COCKREL:** I agree and I know we discussed it in our offices yesterday and I have had some preliminary conversation with Mr. Palmer who represented Council before on the Housing Commission issue, as well as, some other issues and he is interested and available. I do want an opportunity to talk with all of my colleagues privately about it, but I do agree with you and have already taken some steps.

**DAVID WHITAKER** (Research & Analysis Div.): I just think you should include conflict of interest issues involving the Board of Ethics in that inquiry as well.

**COLLINS:** Mr. President, I am familiar with Mr. Palmer, but I'd like to know whether we have won anything under him. I want to know how many cases we've won and how many we have lost, and this is not personal.

**K. COCKREL:** RAD will go ahead and provide that.

**COLLINS:** I've had people to call me and stop me on the street to ask why their taxes went up; therefore. I would like for the Assessor to come to our next meeting or send a report to us on why taxes are going up. People told me their homes have depreciated and their taxes still were increased. *I'd like a report by the next meeting on why they*

*have increased especially since property values are decreasing.*

**IRVIN CORLEY** (Fiscal Analysis Div.): I think Council should hear from the chief assessor on this, but it is my understanding that is one of the faulty provisions of proposal "A" passed by the Legislature a few years ago. Even though assessments go down, the value of the property has to go up either the lesser of 5% or the rate of inflation regardless of what happens with the assessment.

**COLLINS:** Council maybe needs to issue a statement informing the public who is not aware that their taxes will go up every year.

**JONES:** I'd like a status report on my request to have a meeting with the Chief of Police regarding crime. I know you were trying to schedule a date.

**K. COCKREL:** We are still trying to coordinate a good time with her schedule to get her here and hopefully within the next day or so, we will have that finalized.

**WATSON:** I forgot to mention there is a possible hearing on water rate increases this Thursday at 4:30 P.M. in the auditorium.

**K. COCKREL:** Maybe we need to do this in the Committee of the Whole so all council members will have an opportunity to speak.

**WATSON:** I move that the public hearing be in Committee of the Whole.

**JONES:** Support.

**K. COCKREL:** Motion carries.

**K. COCKREL:** As you all know, last week, Council Members Tinsley-Talabi, Reeves, and myself were in Taiwan on a fact-finding/trade mission which was an opportunity for us to not only meet with government officials at the local level in Tai Pai City, which is the capital of Taiwan, but also with federal government officials. In addition to those meetings, much of the time we were there, we were actually meeting with representatives of various industries in Taiwan, particularly in the automotive industry and also in the technology industry and it was fascinating and eye opening on a whole host of levels. I felt it was important that we spent some time reporting on that so you know we were not over there vacationing. It was hard work, we were on a pretty intense sun-up-to-sun-down schedule of meetings, but it was very informative. We brought some information back and DVDs for your review.

I think we have come back with some prospects for development and investment that we want to further explore. There is one company already located here in Allen Park that is going to be hiring over 2,000 people and we want to explore mak-

ing sure Detroiters get some of those jobs. The owner of that company also has an interest in developing an industrial park and we want to talk to our representatives about getting them to locate that industrial park in the City of Detroit. There were a number of other companies which offer opportunities for us to explore.

**TINSLEY-TALABI:** As a result of the trip to Taiwan, there are specific actions that I know immediately we want to take advantage of. We saw an increased need for business opportunities on Detroit waterways, inasmuch as currently much of the shipping is done in California. We spoke with many of the owners there about moving that waterway traffic to Detroit and will talk to the Port Authority about that. We also talked to student exchange and aeronautic companies that are doing work for Boeing and the U.S. Government. We will see results of our visit to Taiwan.

**REEVES:** With the many meetings we were involved in, we were presented with DVDs that I will share not only with my staff, but with my Entrepreneur Task Force and other interested parties to see the developments we were exposed to which are, by far, way beyond my imagination or my dreams of development and technology. We were exposed to microscopic development that is very new and far beyond anyone's belief as to what is going to be done about cancer research and the medical field as a whole. It is amazing that they have taken what they learned here in America and taken back to China and evolved. It was all about business, learning, and discovering how much America has to offer China and how much China has to offer America.

**RESOLUTION OPPOSING THE  
APPEAL OF JUDGE ROBERT J.  
COLOMBO'S RULING RE: DETROIT  
FREE PRESS AND DETROIT NEWS  
VS. CITY OF DETROIT**

By COUNCIL MEMBER KENYATTA:

WHEREAS, Wayne County Circuit Court Judge Robert J. Colombo ruled in favor of the Detroit Free Press and Detroit News with regard to dissolving the restriction on the disclosure of exhibits and depositions of the Whistleblower Lawsuit settlement; and

WHEREAS, Resident taxpayers of the City of Detroit have thus far paid \$9 million to settle the Whistleblower Lawsuit without benefit of full-disclosure of all pertinent information that may have influenced the approval of the settlement by the Detroit City Council; and

WHEREAS, The resident taxpayers of the City of Detroit and the Detroit City Council have a right as the payors and representatives of the payors respectively, of all City of Detroit settlements, to all material facts relating to the settlement of all lawsuits by the City of Detroit; and

WHEREAS, Judge Colombo has urged the City of Detroit that the best course of action is to forego an appeal and "turn these documents over;"

NOW THEREFORE BE IT

RESOLVED, That the City Council urges the Mayor's Office and the Law Department to cease any consideration of appealing or proceeding in a manner contrary to Judge Colombo's ruling and to release the aforementioned exhibits and depositions with all deliberate speed.

**STATEMENT BY COUNCIL MEMBER  
SHEILA M. COCKREL OPPOSING  
RESOLUTION DEMANDING  
CORPORATION COUNSEL AND  
OUTSIDE COUNSEL TO DISCLOSE  
ELECTRONIC COMMUNICATIONS  
BETWEEN MAYOR AND/OR MEMBERS  
OF HIS ADMINISTRATION, AND  
DEMANDING THAT DEFENSE  
COUNSEL IN THE BROWN,  
NELTHROPE AND HARRIS LAWSUITS  
APPEAR AT A CLOSED SESSION, ETC.**

I voted in opposition of the resolution demanding, among several things, that the Corporation Counsel and all outside legal counsel retained by the City or the Mayor in defense of the *Brown, Nelthrope* and *Harris* lawsuits to disclose reproductions of electronic communications between the Mayor and/or members of his administration as referenced in pleadings in the *Detroit Free Press vs. City of Detroit* matter. I believe this resolution is inappropriate for two reasons.

First of all, the issues before this Honorable Body are whether the Corporation Counsel, Law Department Lawyers, or outside counsel compromised their duty to represent the City due to a conflict of interest when settling the *Brown, Nelthrope* and *Harris* lawsuits. Council's inquiry is based upon the fact the text messages transcripts were in plaintiffs' counsel's possession at the time of settlement and whether they caused the case to settle for an amount greater than it would have if the transcripts did not exist. Clearly, the content of the text messages are damaging to the Mayor and Christine Beatty personally; however, we do not need to know the content of the text messages at this time in order to make our analysis regarding the lawyers' potential conflict of interest.

Secondly, the electronic communications referred to in the *Detroit Free Press* lawsuit are currently being reviewed by the Wayne County Prosecutor to determine if criminal charges should be brought against Mayor Kilpatrick, Ms.

February 11

2008

Beatty, or any other person. It is not within Council's rights or duties to determine whether any person has committed a crime, and we should not interfere with a criminal investigation by analyzing evidence submitted to the Wayne County Prosecutor.

I also oppose the resolution because it demands that all the counsel who represented the City or the Mayor in the defense of the *Brown*, *Nelthrope* and *Harris* cases appear at a closed session. I believe this is an improper request because the closed session relates to the *Detroit Free Press* Freedom of Information Act lawsuit. I believe a discussion with the attorneys in the *Brown*, *Nelthrope* and *Harris* cases in a closed session violates the Open Meetings Act because those cases are no longer pending, and the *Detroit Free Press* case relates to the City's alleged failure to produce certain documents.

Counsel retained the services of Attorney William Goodman to investigate and pursue any and all potential legal action on behalf of the Council, and we should allow Mr. Goodman to advise us on next steps rather than passing this resolution.

And the Council then adjourned.

Honorable City Council:

Re: Art Center Apartments. Payment in Lieu of Taxes (PILOT).

Art Center Apartments is an existing PILOT, which is paying a ten percent (10%) service charge. The development consists of 60 town-homes located at 600 East Kirby. The units were constructed in 1975 and consists of 40 one-bedroom and 20 two-bedroom. Evergreen Partners is purchasing the property and has been awarded Low Income Tax Credits, permanent financing will be through Housing and Urban Development (HUD). A Limited Dividend Housing Association Limited

Dividend Partnership has been formed.

The partnership plans substantial rehabilitation to the development to include roof replacement including new insulation, parking lot repair, general landscaping and sidewalk repair, new playground facilities. Rehabilitation to the units include: new windows and blinds, new appliances, new kitchen cabinets and countertops and sinks, new lighting fixtures, bathroom renovations. Other renovations include upgrading to HVAC, new interior/exterior doors and hallway doors as needed and new paint. Common area renovations will include new signage, new lighting upgrade of bathrooms, offices and lobby areas.

In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1996, (P.A. 346, as amended, MCLA125.1415A).

The developer has elected the minimum set-aside of at least 40% of the units be both rent restricted and be occupied by tenants whose income does not exceed 60% of the area median income adjusted for family size. The developer intends to exceed that minimum and those units not covered by the tax credit program will governed by HUD 236 program.

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a service charge of 10% on the net shelter rent.

Respectfully submitted,  
J. CASTONE  
Assessor

Honorable City Council:

Re: Resolution in support of continued Drug Law Reforms in the State of Michigan.

Pursuant to this Honorable Body's request, attached for your consideration is a draft Resolution in support of the ongoing work of Families Against Mandatory Minimums ("FAMM"). Jean Doss, a representative for FAMM made a presentation to the Internal Operations Committee before the December, 2007 recess of Council<sup>1</sup>.

Also attached for your review are two recent articles from the Detroit Free Press concerning the issue of drug law reforms in Michigan and FAMM's ongoing efforts to promote more equitable reforms in this area of the law.<sup>2</sup>

<sup>1</sup>Ms. Doss appeared before the Internal Operations Committee on October 4, 2007, however, there was a delay in the transmission of information for the resolution to RAD.

<sup>2</sup>"Stop the State Prison Drain" (editorial), *Detroit Free Press*, September 9, 2007 and "Fight for Fair Sentencing — Group Aids in Change for Drug Offenders," *Detroit Free Press*, December 26, 2007.

Respectfully submitted,

DAVID WHITAKER

Research and Analysis Division Staff  
By Council Member Kenatta joined By All Council Members:

Whereas, In 1998 and 2003 the Michigan state legislature passed sweeping changes in the state's mandatory minimum drug laws which were heretofore among the harshest in the United States; and

Whereas, Those reforms, which include the repeal of most of the state's mandatory minimum drug statutes, replacing them with drug sentencing guidelines that give discretion back to Michigan judges, have made a Michigan a national leader in "smart on crime" sentencing policies; and

Whereas, Mandatory minimum drug sentences have prevented judges from fitting the punishment to the individual's role in the offense and the seriousness of the offense; and

Whereas, Mandatory minimum drug sentences have had a disproportionate impact on people of color; and

Whereas, The Detroit City Council has been a critical partner with Families Against Mandatory Minimums ("FAMM") and the diverse array of other organizations seeking reforms in mandatory minimum drug sentencing policies; and

Whereas, Additional reforms are necessary to rectify inconsistencies, gaps and redundancies in the law following the 2003 reforms of the state's mandatory minimum drug laws; and

Whereas, Further reforms are needed to provide relief to individuals still serving extraordinarily lengthy sentences as a result of mandatory minimum drug sentences imposed before the 2003 reforms; and

Whereas, Statistics reveal that the first 439 individuals granted early parole eligibility under the 2003 reforms in Michigan's drug laws have had a far lower rate of recidivism than individuals paroled for all other crimes during a similar time period, and

Whereas, Consideration must also be given to establishing broader access to treatment and drug courts by including individuals convicted of low-level nonviolent delivery offenses; and

Whereas, National polls show that the public believes education and prevention programs are more cost-effective approaches to addition than harsh prison sentences; and

Whereas, The RAND corporation found that treatment is eight to nine times more effective than law enforcement or interdiction in reducing the demand for illegal drugs;

Therefore Be It Resolved, That the Honorable Detroit City Council, supports FAMM's continued legislative efforts to ensure fair and proportionate sentencing policies for drug related offenses; and

Be It Finally Resolved, That the Detroit City Council directs the City Clerk to transmit this resolution to Governor Jennifer M. Granholm, the Honorable Kwame M. Kilpatrick, all members of the State Legislature as an indication of Detroit City Council's support for further drug sentencing reforms to promote a more just and equitable penal system for all.

Adopted as follows:

Yeas — Council Members S. Cockrel, Collins, Jones, Kenyatta, Reeves, Tinsley-Talabi, Watson, Conyers, and President K. Cockrel, Jr. — 9.

Nays — None.

### RESOLUTION

By COUNCIL MEMBER JONES, Joined  
By COUNCIL MEMBER KENYATTA:

WHEREAS, Recent events have transpired that resulted in serious allegations that the Mayor and members of his administration have engaged in conduct

which may include a breach of the public trust and misuse of public funds; and

WHEREAS, The Detroit City Council is the legislative branch of the City charged with fiscal oversight and a fiduciary obligation to the citizens of Detroit; and

WHEREAS, The City of Detroit Law Department is headed by the Corporation Counsel and is mandated by the Detroit City Charter, Section 6-403, to defend all actions or proceedings against the City and to obtain the consent of the City Council to settle all civil litigation; and

WHEREAS, Rule 1.13 of the Michigan Rules of Professional Conduct (MRPC) requires that a lawyer employed to represent an entity represents the entity as distinct from its individual officials, directors, or employees; therefore the Corporation Counsel's obligation of representation is to the City as the entity, including both the executive and legislative branches of government; and

WHEREAS, On September 11, 2007, a unanimous jury determined that Mayor Kilpatrick and the City violated the Whistleblower's Protection Act and awarded plaintiffs Gary Brown and Harold Nelthrope \$6.5 million (six million, five hundred thousand dollars); and

WHEREAS, The Mayor adamantly vowed to appeal the verdict but abruptly changed course following facilitation on October 17, 2007, and requested City Council's approval to pay \$8,400,000.00 (eight million, four hundred thousand dollars) in settlement of the plaintiff's claims (including \$400,000.00 to Walter Harris for a related claim yet to come to trial); and

WHEREAS, In reliance upon information provided by the Corporation Counsel, City Council accepted the recommendation as being in the best interest of the citizens, and voted to approve the settlement on October 23, 2007; and

WHEREAS, City Council has subsequently learning that critical information/documents relative to the recommendation for settlement was not disclosed at the time of the request for City Council approval; and

WHEREAS, the withheld information/documents are vital to the fulfillment of City Council's Charter mandated obligations generally, and its role pursuant to section 6-403, specifically, mandating that no civil litigation of the City may be settled without the consent of the Council, and impacts upon ongoing related issues of serious import to the City; and

WHEREAS, This information was known and available to the corporation counsel at the time of settlement and thereafter, and as revealed in the recent Freedom of Information Act (FOIA) litigation, *Detroit Free Press, Inc. vs. City of Detroit*, Case No. 08-100214-CZ, some of it has been obtained by the local press but

has yet to be published or provided to the City Council; and

WHEREAS, Pursuant to a ruling by the Wayne County Circuit Court on February 5, 2008 ordering disclosure of the information/documents, the subject information/documents are being held under seal of the court pending the termination of any appeal(s) and/or the lifting of a court-ordered stay; and

WHEREAS, The City's decision to pursue appeal of the Wayne County Circuit Court's ruling will likely result in the information/documents remaining under seal for an indefinite period of time and further delay in disclosing the subject information/documents to City Council will seriously undermine the Council's ability to make informed decisions with respect to pending and potential legal matters; and

WHEREAS, City Council, as the legislative branch of the City with fiscal responsibility and authority to settle litigation, and as an indivisible part of the City which is the defendant in the aforementioned litigation, has an absolute right to receive and review the subject information/documents; NOW THEREFORE BE IT

RESOLVED, That the Corporation Counsel, including any and all outside legal counsel retained by the City or the Mayor in defense of *Gary A. Brown and Harold C. Nelthrope vs. City of Detroit and Mayor Kwame Kilpatrick* shall immediately disclose to the Detroit City Council all information/documents identified by the Wayne County Circuit Court in its February 5, 2008 decision in *Detroit Free Press, Inc. vs. City of Detroit*, Case No. 08-100214-CZ, as well as reproductions of electronic communications between the Mayor and/or members of his administration transmitted utilizing City of Detroit communication devices as referenced in pleadings in the above-referenced matter; and BE IT FURTHER

RESOLVED, That consistent with the powers and duties prescribed to Detroit City Council in Sections 4-109 and 6-403 of the Charter, Corporation Counsel and all outside legal counsel retained by the City or the Mayor in defense of *Gary A. **INVOCATION**

Dear ever present all knowing and all loving God. You have told us in so many ways that we do not know how to pray.

There are so many that we do not know. But whatever we do and whoever we choose to be, the sacred scriptures of all faiths or beliefs told us. Before a word comes from our mouths You know our motives. Whether we ascend to the heights or descend to the depths, You meet us there.

Help us O God to live and not just speak our prayers, our faith, and our core values. Help us to be the people that can make Your intentions this city and this world come alive.

We pray again, again, again and again for all those bold enough to assume the sacred responsibilities of leadership. For everyone that has been given the sacred trust to lead this amazing city and its proud resilient, determined, faithful and loyal people; hold us all up and hold us all accountable.

And then O God we pray four help to discern the truth. To discern those who come to us saying they simply want to expose the truth. If there are those who have simply been waiting in the wings for the opportunity to attack us, if there are those who have given in to, white racism, greed or power, but hide under the guise of seeking the truth. Help us to know the truth. But if we can not then assure us that You have searched them and known them. If You are acquainted with all their ways, whether they go to the heights or descend to deeps, You will meet them there.

We are also called those of us with a voice, to speak for those who can not speak. For those whose voice is drowned out by those in position of privilege. We pray for leaders who will fight for those who can not fight. We pray for those who will use position to fight for those who have no jobs — for those who are losing their homes — who hang on the edge with no heat or lights or water or hope — for those living in shelters and for a system that would allow it. Search us O God and know our way, let us act, speak and live for those who depend on our leadership.

No go with us and assure us again that You have not brought us or this city or its people this far to leave us now.

Thanks be to God who has already given us the victory if we would only claim it. May it be so.

Honorable City Council:

Re: Resolution Opposing the Appeal of Judge Robert J. Colombo's Ruling  
RE: Detroit Free Press and Detroit News vs. City of Detroit.

On February 11, 2008 your Honorable Body adopted a resolution opposing the appeal of Judge Robert J. Colombo's Ruling regarding *Detroit Free Press* and *Detroit News vs. City of Detroit*.

After careful review of Judge Robert J. Colombo's decision in the lawsuit filed by the *Detroit Free Press* and *Detroit News*, I decided to comply with Judge Colombo and release some of the documents in questions while appealing portions of his ruling.

I am appealing portions of Judge Colombo's ruling to protect privacy rights of all residents of Detroit who might be involved in litigation at some point. If all documents that are discussed in mediation were subject to being made public disclosure, nobody would want to participate in mediation. Detroiters who are involved in mediation could be subject to having their most personal information made public, such as their financial records and/or their medical records.

I will receive this as a statement of your position on the referenced matter. It is for this reason I **neither approve nor veto** the above referenced resolution and continue the fight to protect the privacy rights of all the people of Detroit.

Sincerely,  
KWAME M. KILPATRICK  
Mayor

Received and placed and file.

By COUNCIL MEMBER WATSON, Joined by COUNCIL MEMBERS JONES, CONYERS, REEVES, and COUNCIL PRESIDENT K. COCKREL, JR.:

WHEREAS, Armour Knodell Park is located on the corner of Knodell between Armour and Milner Streets on the east-side of Detroit; and

WHEREAS, Armour Knodell Park is on the list of parks slated for repositioning under the Capital Improvement Program of the Detroit Recreation Department's Strategic Master Plan; and

WHEREAS, The City Airport Renaissance Association (CARA) is a community based organization formed to service the needs of residents near City Airport; and

WHEREAS, CARA has forwarded a formal Letter of Intent to partner with the City of Detroit Recreation Department to renovate and maintain Armour Knodell Park for the benefit of the families and children of the community; and

WHEREAS, The City Council previously adopted a resolution supporting the renovation and renaming of Armour Knodell Park to Ernestine Gordon Park; and

WHEREAS, Both newcomers and long-term residents will benefit greatly from a renovated park that will provide a safe and enjoyable play environment; and

WHEREAS, The City Council has a vested interest in Detroit citizens having the benefit of an upgraded park named after a well-known activist in the community; NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council continues to support the renovation and renaming of Armour Knodell Park to Ernestine Gordon Park; and BE IT FURTHER

RESOLVED, That the Detroit City Council hereby urges the Administration to remove Armour Knodell Park from the list of parks slated for repositioning under the current Capital Improvement Program of the Detroit Recreation Department's Strategic Master Plan; and BE IT FURTHER

RESOLVED, That the Detroit City Council hereby urges the Administration to support the renovation and renaming of Armour Knodell Park to Ernestine Gordon Park; and BE IT FINALLY

**STATEMENT OF COUNCIL MEMBER SHEILA M. COCKREL OPPOSING RESOLUTION SUPPORTING RENOVATION OF ARMOUR KNODELL PARK BY THE CITY AIRPORT RENAISSANCE ASSOCIATION**

I voted against the resolution that supports the renovation of Armour Knodell Park by the City Airport Renaissance Association because the Detroit Recreation Department Strategic Master Plan for city parks has deemed this to be one of the parks suitable for repositioning. While I appreciate C.A.R.A.'s efforts to maintain the park, the Strategic Master Plan carefully analyzed all the parks in City and determined the best locations for repositioning parks in the City based upon demographics and park conditions. As a member of the team working on the Strategic Master Plan, I know that a substantial amount of due diligence occurred prior to making the final recommendations in the plan and I stand by those final recommendations.

**RESOLUTION**

By COUNCIL MEMBER WATSON, Joined by COUNCIL MEMBER JONES:

WHEREAS, The dismantling of Detroit's Recorder's Court has systematically isolated the people of Detroit from participation in the Wayne County Circuit Court jury selection, denying their right to a jury of ones peers, and

WHEREAS, All city officials and residents should be encouraged to take the necessary steps to ensure justice, and

WHEREAS, An additional deterrent to serve on the jury is related to the lack of complimentary parking facilities available to citizens, and

WHEREAS, The City of Detroit owns numerous parking garages and lots, NOW, THEREFORE BE IT

RESOLVED, That the Municipal Parking Department identify appropriate and accessible lots for residents chosen to serve as jurors, in order to increase citizen involvement and address the disparities that exist in Wayne County Circuit Court.

**STATEMENT OF COUNCIL MEMBER SHEILA M. COCKREL OPPOSING RESOLUTION THAT MUNICIPAL PARKING IDENTIFY APPROPRIATE AND ACCESSIBLE LOTS FOR DETROIT RESIDENTS CHOSEN AS JURORS TO INCREASE THEIR PARTICIPATION IN JURY DUTY**

I voted against the resolution that directs the Municipal Parking Department to identify appropriate and accessible lots for residents chosen to serve as jurors in order to increase citizen involvement in jury duty. I presume that since the resolution seeks to provide free parking only for "residents" it is meant to apply only to Detroit residents, and, therefore, I am concerned the resolution may be illegal. I do not believe free parking will incentivize a citizen to appear for jury duty or address the "disparities that exist in Wayne County Circuit Court," and no data has been provided to support this premise. Also, it was stated at the Formal Session that free parking is not allowed under the terms of the financing bond covenants. I believe this resolution should have been submitted to Municipal Parking, the Law Department, and the Research and Analysis Division for review prior to this Council voting upon it to determine if this resolution was legally valid.

February 5, 2008

Honorable City Council:

Re: Request of Midwest Grosse Pointe Properties, LLC to amend Article XVII, Zoning District Map No. 39 of

Chapter 61 of the 1984 Detroit City Code, Zoning, by rezoning property located at 4890 Farmbrook Avenue and 4891 Radnor Avenue, located to the south of the adjacent east-west alley south of 18000 East Warren Avenue from an R1 (Single-Family Residential District) to a P1 (Open Parking District) zoning classification (Recommend Approval) (Ordinance Attached) (Introduce and Set Public Hearings).

#### **PROPOSED DEVELOPMENT**

Midwest Grosse Pointe Properties, LLC is petitioning the City Council to amend District Map No. 39 of the Detroit Zoning Ordinance to show a P1 (Open Parking District) zoning classification where an R1 (Single-Family Residential District) zoning classification is presently shown on the two vacant lots located at 4890 Farmbrook Avenue and 4891 Radnor Avenue. The request is being made to allow for an accessory paved and landscaped parking lot to serve the renovated commercial structure that houses the dialysis center and medical offices located at 18000 East Warren Avenue.

As your Honorable Body may recall, the City Council approved the rezoning of three lots on the east side of Radnor located at 4896, 4886 and 4876 Radnor Avenue from R1 to P1 in February of 2007 (Ord. No. 06-07). The current request from the petitioner is for the same purpose as the rezoning across the street approved last year.

The subject properties, which are located to the south of the abutting east-west alley adjacent to the dialysis center between Farmbrook and Radnor Avenues, are also owned by the petitioner and currently contain undeveloped vacant lots. The lots are immediately adjacent to existing residential structures. The two lots will be paved and used to provide additional parking and better access for patients to move within the property while visiting the center.

Midwest Grosse Pointe Properties has submitted a separate petition to the City Council for the closure of the east-west alley that abuts the subject properties to help provide for two-way flow of traffic in the rear of the facility and improve the circulation of patient traffic within their site.

The petitioner is submitting the rezoning request to provide for the additional space that is needed to meet the requirements outlined in the Zoning Ordinance for parking lots and commercial buildings. The additional space is needed to meet the specific requirement of the Zoning Ordinance in Section 61-14-154 that calls for a pedestrian walkway not less than five (5) feet in width to separate the parking area from the building it serves. In addition, a ten (10) foot-wide setback is required for parking lots adjacent to residential lots with existing structures. Lastly, the rezon-

ing of the two lots would provide the needed space to help lessen the impact and overflow of traffic from the dialysis center to the adjacent neighborhood.

#### **SURROUNDING ZONING AND LAND USES**

##### ***Surrounding Zoning and Land Use***

The zoning classification and land uses surrounding the subject area are as follows:

North: B4 (General Business District); the existing dialysis center directly north of the public alley.

East: B4 (General Business District) and P1 (Open Parking District); two vacant lots across Radnor Avenue owned by the petitioner that are paved and used as accessory parking.

South: R1 (Single-Family Residential District); existing single-family residential structures.

West: R1 (Single-Family Residential District); existing single-family residential structure across Farmbrook Avenue.

#### **PUBLIC HEARING RESULTS**

During the City Planning Commission public hearing held on September 13, 2007, one person spoke in support of the proposal, noting the neighborhood's satisfaction with the petitioner's responsiveness to the community and the positive impacts from the redevelopment of the East Warren property. No one presented written or spoken comments in opposition.

#### **ANALYSIS**

The subject site is located within the Chandler Park Subsector of the East Sector of the Detroit Master Plan of Policies. The existing land use designation for the subject area is RLM (Low-Medium Density Residential) and proposed land use designation is RL (Low Density Residential). The Planning and Development Department has submitted a letter indicating that the rezoning proposal conforms to the future land use designation and to the intent of the Master Plan of Policies for the area. An amendment to the Master Plan will not be necessary.

The proposed rezoning would not create any nonconforming uses and would allow for accessory parking on a by-right basis. The P1 district would provide for a buffer between the residential district to the south and the B4 (General Business District) to the north.

#### **CONCLUSION**

The City Planning Commission finds the proposed rezoning to be consistent with the Master Plan, appropriate to the area, and effective as a means of buffering impacts from the adjacent commercial and residential uses. In light of the information presented to it and consistent with the approval criteria of Sec. 61-3-80, the City Planning Commission voted at its September 20, 2007 meeting to recommend the amendment of Article XVII, Zoning District Map No. 39 of Chapter 61

of the 1984 Detroit City Code, Zoning, by rezoning 4890 Farmbrook Avenue and 4891 Radnor Avenue from an R1 (Single-Family Residential District) to a P1 (Open Parking District) zoning classification.

Unless Council chooses to hold a discussion on this matter, the attached map amendment ordinance, approved as to form by the Law Department, is ready for introduction and scheduling of a public hearing.

Attached for your consideration please  
find a resolution and legal description  
which will establish the Hubbard Farms  
Expansion Neighborhood Enterprise

Zone (NEZ) in accordance with Public Act  
147 of 1992 ("the Act").

Your Honorable Body conducted a pub-  
lic hearing on this matter on January 9,  
2008 as required by the Act. No impedi-  
ments to the establishment of the NEZ  
were presented at the public hearing.

twenty (20) existing units.

The Act requires that at least 60 days

the public hearing, which was December  
20, 2007, to the date of your formal  
approval of a resolution establishing the

NEZ. We request that you approve the resolution at your regular formal session on or near February 25, 2008.

Respectfully submitted,  
DOUGLASS J. DIGGS  
Director

By Council Member S. Cockrel:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from *ad valorem* taxes, and the imposition of a specific property tax in lieu of *ad valorem* real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the Hubbard Farms Expansion NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Hubbard Farms Expansion NEZ was conducted before the Detroit City Council on January 9, 2008, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the Hubbard Farms Expansion NEZ where cited;

Now Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the Hubbard Farms Expansion NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

January 17, 2008

Honorable City Council:

Re: Street Administrator.

The provisions of Act 51, Public Acts of 1951, which is the law under which the State distributes the Gas and Weight tax revenues, requires that each City appoint a Street Administrator to act on behalf of the City with respect to the allocation of said funds.

The responsibilities of the Street Administrator range from maintenance and improvements to streets, traffic operations, negotiating contracts with the State Department of Transportation and maintenance of all inventory of all streets within the City.

February 19

294

2008

Since the major use of the City's share of Gas and Weight taxes is to maintain and improve existing streets, traditionally, the Street Administrator for the City of Detroit has been the Director of Public Works.

It is therefore my recommendation that the Street Administrator, for the City of Detroit, be the Director of the Department of Public Works, Mr. Alfred Jordan.

Sincerely,  
KWAME M. KILPATRICK  
Mayor

By Council Member Tinsley-Talabi:

Whereas, Section 13 (8) of Act 51, Public Acts of 1951 provides that each incorporated City and Village, to which funds are returned under the provision of this section, that, "the responsibility for all street improvements, maintenance, and traffic operation work shall be coordinated by a single administrator to be designated by the governing body who shall be responsible for and shall represent the municipality in all transactions with the State Department of Transportation pursuant to the provision of the Act."

Therefore, Be It

Resolved, That this Honorable Body designates Mr. Alfred Jordan as the single Street Administrator of the City of Detroit in all the transactions with State Department of Transportation as provided in Section 13 of the Act.

Re: Proposed Amendment to Chapter 55 of the 1984 Detroit City Code, *Traffic and Motor Vehicles*, by Amending Article I, *In General*, Section 55-1-1, *Definitions*, and by Amending Article IV, *Operation of Vehicles*, Section 55-4-28, *Use of a handheld mobile phone while operating a motor vehicle on a freeway, highway, street or alley prohibited; enforcement as a secondary offense only; not applicable to hand-free mobile phone; exceptions; burden of proof; penalty.*

The above-referenced proposed ordinance arose from a request by your Honorable Body, through Council Member JoAnn Watson, and was drafted by the Law Department to prohibit text messaging and to prohibit distracting activities while operating a motor vehicle. In accordance with the applicable provisions of the 1997 Detroit City Charter, this proposed ordinance is being submitted to

your Honorable Body for consideration and passage.

We are available to answer any questions that you may have concerning this proposed ordinance. Thank you for your consideration.

Respectfully submitted,

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

Honorable City Council:

Re: Stephanie Green #2144.

The sidewalk replaced at 18484

Vaughan was done under the Assessment Program. As such, the cost of the sidewalk is a lien against the property. Unfortunately, because the property changed owners the month after the work was performed, Ms. Green, the current owner, is responsible for payment.

If Ms. Green qualifies, she may apply for a Special Assessment Deferment. The State of Michigan will pay the assessment and place a lien on the property. When the home is sold or transferred the assessment must be repaid.

When the property owner was first notified that the sidewalk was out of repair, the estimated cost was \$504. However, at the time of construction the damaged area had increased and the owner was billed \$753.

We therefore, respectfully request that your Honorable Body authorize and direct the Board of Assessors to reduce the assessed amount from \$753, to the \$504.

Respectfully submitted,

Director

Your Honorable Body conducted a public hearing on this matter on January 30, 2008, as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

As you may recall the Mt. Moriah Community Development Corporation, proposes to invest \$3.2 million to construct 24 townhouse units.

The Act requires that at least 60 days must pass from the date of the notice of the public hearing, which was December 23, 2007, to the date of your formal approval of a resolution establishing the NEZ. We request that you approve the resolution at your next regular formal session on or near February 25, 2008.

Respectfully submitted,  
DOUGLASS J. DIGGS  
Director

By Council Member Kenyatta:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from *ad valorem* taxes, and the imposition of a specific property tax in lieu of *ad valorem* real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the Euclid Street Townhouse community NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Euclid Street Townhouse Community NEZ was con-

ducted before the Detroit City Council on January 30, 2008, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the Euclid Street Townhouse Community NEZ where cited:

Re: City of Detroit vs. Sobeloff, et al.

Case No.: 05-522129-CC. File No.: 2410 (Williams Acosta, PLLC).

On January 15, 2008, a case evaluation panel evaluated the above-captioned lawsuit and awarded \$240,000.00 in favor of Defendants. The parties have until February 12, 2008 to accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Defendants accept the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of \$240,000.00 payable to Edith Woodberry and payable to Craig Jones and Spouse, if any; Michael Jones and Spouse, if any; Happy Woodberry; Cavel Woodberry and Spouse, if any; Penny Mabin; Cranston Woodberry and Spouse, if any; Roslyn Harrison; Roger Woodberry and Spouse, if any; and Lavan Woodberry and Spouse, if any, and their attorney Cranston Woodberry to be delivered upon receipt of properly executed Releases and a Stipulation and Order of Dismissal With Prejudice entered in Wayne County Circuit Court Action No. 05-522129-CC, approved by the Law Department.

#### **RESOLUTION IN OPPOSITION OF SENATE BILL NO. 1050**

By COUNCIL PRESIDENT K. COCKREL, JR.,  
On behalf of ALL COUNCIL MEMBERS:

WHEREAS, The City of Detroit, through its Water and Sewerage Department, owns and operates the third largest water and sewage treatment systems in the United States; and

WHEREAS, The Detroit Water and

Sewerage Department (DWSD) is governed by a seven-member Board of Water Commissioners whose members are appointed by the Mayor. Pursuant to the Detroit City Charter, at least four members must be residents of the City of Detroit. Currently, the three remaining members are from Wayne, Oakland, and Macomb counties; and

WHEREAS, DWSD provides water service to nearly one million people in Detroit and three million people in Wayne, Oakland, Macomb, St. Clair, Lapeer, Genesee, Washtenaw, and Monroe counties. The 1,071 square-mile water service area encompasses approximately 43 percent of the state's population; and

WHEREAS, The water system, which draws fresh water from the Great Lakes, pumps an average of 675 million gallons of clean drinking water each day and consists of 3,400 miles of distribution mains within the City of Detroit, and 402 miles of distribution mains in the remaining service area; and

WHEREAS, The sewer system, which originated in 1836, currently consists of 14 pump stations, three (3) storm water retention basins, and a total of 3,400 miles of sewer lines that carry rainwater and wastewater to the Wastewater Treatment Plant (WWTP), the largest single-site wastewater treatment facility in the country; and

WHEREAS, The WWTP treats an average of 660 million gallons of flow per day and provides service to a 946 square-mile area that consists of approximately 35 percent of the state's population, and includes one million residents in the City of Detroit and two million residents in neighboring communities; and

WHEREAS, The Water and Sewerage Capital Improvement Program (CIP) covers a five-year fiscal period and totals \$2.4 billion dollars. Major projects in the CIP include replacement of aging water mains; instrumentation and systems upgrades to 52 water and wastewater facilities; implementation of program management at the WWTP for continued regulatory compliance through rehabilitation and upgrades; and construction of additional combined sewer overflow facilities to ensure that area sewer systems effectively prevent storm water overflows in order to protect the environment; and

WHEREAS, The CIP, which includes regulatory and/or court ordered projects, serves to ensure that DWSD provides the best quality drinking water and innovative sewage treatment/disposal for the benefit of its customers and the protection of the environment; and

WHEREAS, Recent CIP improvements and replacements covered over 208,300 feet of water and sewer pipes; and

WHEREAS, Senate Bill No. 1050, recently introduced by Senator Alan

Sanborn, would provide review, oversight, and recommendations regarding water and sewer systems within Michigan, mandate the establishment of a water accountability advisory board, and change the appointment process; and

WHEREAS, The bill only applies to those counties with a population of 400,000 or more with systems that provide water or sewerage service to more than 20% of the population of this state; and

WHEREAS, As a result, the proposed legislation serves to replace the Detroit Board of Water Commissioners and divest the City of Detroit of its Charter-mandated power and duties; and NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council opposes Senate Bill No. 1050 and urges the Governor of the State of Michigan and the Michigan State House and Senate to reject the proposed legislation as undue interference with the City's ownership and operation of its water and sewerage system; and BE IT FINALLY

RESOLVED, That the City Clerk be instructed to send copies of this adopted resolution to the Honorable Jennifer M. Granholm, the Honorable Kwame M. Kilpatrick, the entire Michigan State House and Senate, the Detroit Board of Water Commissioners, and the City of Detroit's State lobbyist.

**MEMBER REPORTS**

**J. WATSON:** On the issue of Public Comment, I've been informed that a number of citizens are trying to come to the March 4, 2008 Formal Session, because March 4, 2008 was the date that Victor Mercado told us during the Water Hearing that it would be the date that the voting will happen on the Water Rates. I was surprised to hear yesterday that Kerwin Wimberley, at the end of the Public Health and Safety Standing Committee, indicated that the Administration was interested in walking on that vote today. The community has been advised of a March 4, 2008 date and a number of them are planning to come. I just wanted to say that a number of them are planning to come for Public Comment, and we've had difficulties around that public hearing. Therefore, I don't want any changes to occur on the day for the vote, for the Water Rate hike. The citizens will not be informed if it is walked on today, and that will not be fair in my opinion.

**A. TINSLEY-TALABI:** I just want to make it clear that the issue was raised, and I addressed it and indicated that it would not be voted on today. I did recognize the fact that it was scheduled for next Tuesday.

**K. COCKREL, JR.:** Just for the record, I did receive some formal documentation requesting a vote on that probably a little over a week ago. I did refer it to your committee, Council Member Tinsley-Talabi. Under the referral time table, it would be taken up at the next Formal Session. That was the plan that I was operating under. I had no plans to take that issue up for a vote today. Unless there is a burning desire on behalf of my colleagues to deal with that today, we will vote on that next Tuesday.

**M. CONYERS:** We're having public comment on that day, and we're voting on that day?

**K. COCKREL, JR.:** Yes.

**S. COCKREL:** I think that is the last day that it can be voted on to take effect.

**M. CONYERS:** I just like to ask that once we're done with this, we could look into the possibility of having Mr. Goodman

start a lawsuit for us on the issue of residency, which is something that we've been talking about for some time now. The question has come up, and I think that I've asked several times had it gone to any of the federal courts. I think this is an issue that we need to take up, because we did try to get it in the Homeland Security legislation through Congresswoman Kilpatrick, and I don't know how that worked out. I think this is imperative because a lot of our dollars are leaving the City of Detroit, and they're not being brought back here.

**D. WHITAKER:** I have had on-going discussions with Mr. Johnson in this area and I know that he's contemplating hiring a lawyer or finding someone in his office to bring such a lawsuit. Mr. Johnson, who under the charter has the power to bring lawsuits on behalf of the city. I understand that the Mayor is supportive of Council's wishes to fight residency and that the Law Department through Mr. Johnson's efforts are trying to secure a lawyer.

**K. WIMBERLY:** That is correct.

**M. CONYERS:** I'm not asking for the Law Department to do it. I'm asking our own counsel to do it. We've asked the Law Department to do this on numerous occasions and it hasn't been done. I won't be here Friday.

**J. WATSON:** It has been reported to me by some persons who are city employees who currently are being sued by a law firm. The case involves Detroit police officers being sued on an issue that was disposed by Bill Goodman who we hired as our special counsel. I've been advised this week that Mr. Goodman is still advising his ex-wife. How can the city pay somebody as their special counsel who is still suing this city. We're going to give this to Mr. Whitaker and we did get a letter of disclosure. Obviously, this is a conflict of interest.

**K. COCKREL, JR.:** I know Mr. Goodman did submit a letter over a week ago, a letter disclosing that and also indicating that the city had been relieved as of a defendant in that particular lawsuit. Isn't that right, Mr. Whitaker?

**D. WHITAKER:** They have been dismissed. Of course, the city is undertaking representation of the lawyers of the police officers involved.

**J. WATSON:** It's the police who told me this.

**K. COCKREL, JR.:** If it is, let me know and we'll deal with it. As far as I've been advised, the letter that Mr. Goodman submitted took care of the issue. If that is not correct, someone needs to let me know so we can deal with it.

**K. LEAVEY:** There was a discussion internally in the Law Department about that issue. That would come up normally when lawyers are hired. In this case because Mr. Goodman did advise counsel

of his existing lawsuits, a letter came to the Council, so Council has the right to waive the conflict. That's standard operating procedures.

**J. WATSON:** Something needs to be done, you can't represent both sides of the same coin at the same time.

**B. JONES:** In the Members Report last week, I did bring that up. In the disclosure, he said that he was removing himself from that case. If he is in fact still advising, I would like to know. We've raised a lot of issues sitting at this table with conflict of interest, and as I indicated last week, I received e-mails and calls from citizens who were concerned.

**J. WATSON:** I have a request from an individual who is interested in having the Planning and Economic Development or a committee selected by the President, review the current moratorium on gas stations.

It has been reported to me by someone inside the Police Department that the Police Chief is throwing out the Sergeant/Lieutenant's test, and giving another one because apparently folks don't like some of the folks who passed. I would like some information.

I'm doing a resolution to acknowledge the life and legacy of Joe Louis' sister, Ms. Hyde.

There is a strongly written letter from Inez Martin who is complaining about the Board of Review. She said that she is being denied the opportunity to appeal her denial, and under the Freedom of Information Act, she believes that she should have access to that. Can Mr. Kenyatta committee get that?

The FAMM Organization, Families Against Mandatory Minimum is asking everyone today to call federal senators and representatives to ask them to support legislation immediately to eliminate the crack powder cocaine sentencing disparity which is led to disproportionate sentences in this nation's prison.

There's other walk-ons that I'd like to route to various committees.

**S. COCKREL:** I have a memorandum directed to Mr. Norman White, the CFO and Finance Director attached for each Council Member's edification, a copy of correspondence has come to me from the Chief Deputy of the State Treasury to Roger Short regarding the CAFR. I have a number of questions regarding the ability of the city to sell revenue and tax anticipation notes, given the 2005-06 CAFR is not done. The 2006-07 CAFR is also not done, requesting various opinions and the like.

I specifically would like immediately to provide the Budget, Finance and Audit Standing Committee a cash flow statement that reflects the current cash flow position of the City of Detroit.

Secondly, I have for Mr. Johnson, pur-

suant to section 18-8-24 of the code, a request for the annual Risk Management Funds Status Report from the Law Department with the information that supposed to be provided to this Council. Likewise, the annual Risk Management Funds Status report from Mr. Norman White that was due the 20th day of January.

Specifically to Mr. White, please advise the Budget, Finance and Audit Standing Committee, by this Friday, of the seven segment accounting strings and dollar amounts for each and every check that was paid out to Gary Brown, Harold Nelthrope, and Walter Harris and law firms with regards to the whistle blower lawsuit settlement. I want every single dollar amount accounted for.

**IRVIN CORLEY:** On the request for the CAFR's, a management letter is to accompany those as well, because the manager's letter points out control problems, weaknesses, so that's need to be added.

**KATHLEEN LEAVEY:** I would like to request from Council Member Cockrel, a copy of the last thing you mentioned with regard to documents and checks.

**S. COCKREL:** We will get that to you.

**B. COLLINS:** No reports.

**A. TINSLEY-TALABI:** I personally want to thank God for Robbie being back, and you're healthy. I want to share with everyone that on Thursday, February 28, 2008 at 5:30 p.m., the Partnership for a Drug Free Detroit will have their normal meeting, but because it is February, our focus will be Black History and we have a wonderful speaker who will come in speaking about our health. I would like to invite everyone, if you can, please come. I'm going to attend the memorial service for Dr. Vivian Hudson Ross. She is the mother of Attorney, Cynthia Ross who worked in my office and her mother was a pillar in the community.

**ROBBIE JABTECKI:** I would like to praise the Police Department who showed up immediately, and our EMS Department, they got there immediately and they were very gentle and caring. I'd also like to thank Receiving Hospital, my first visit there and the doctors were very caring and very attentive.

**M. REEVES:** She lived in my building, and Cynthia Ross has done extensive work for my office. I sympathize with you. There's an International Conference on Self Determination, at the Detroit Marriott Renaissance Center on May 27-29, 2008. I'd like to have this scrolled. I got a number of calls on the upcoming issue on homes being taken because of delinquent water bills. We need actually need to look into that and have a discussion on that in the future.

**M. COLLINS:** I passed out some notices to go to Council Member Talabi's

committee on addresses for homes that are abandoned that needs to be torn down. In addition for line item number #3 that was referred to your committee, could you ask that the gentleman that is complaining come before your committee? He never received a his letter, so he did not receive a (30) day notice, thereby they will be responsible for paying.

**B. COLLINS:** I would like to know if anything is being done about Mr. Mercado? I brought it up last Tuesday that it was very insulting to the community as well as to the Council at the Public Hearing because he came unprepared to answer questions. Everything we asked him he didn't know or he would have to research it and get back to us, which to me is a waste of time. The community came there with questions about the Water Board. Maybe some communication between you and the Mayor, because he should have had someone there that could answer the questions. Will he continue to come to these type of hearings and be unresponsive?

**KERWIN WIMBERLY:** It is my understanding that some of the issues that were brought up at the meeting, he wanted to look at the specific issues, therefore you can't give a blanket answer.

**B. COLLINS:** Is he going to issue a special report to Council, and answering each one of those questions?

**K. COCKREL, JR.:** I think he requested that at the hearing, but we have not received that yet.

**K. WIMBERLY:** I'll check on that and we'll get those answers to you as well.

**I. CORLEY:** Mr. Wimberly submitted a listing of city directors and deputy directors, and I have a couple of comments about that. The budget does have a deputy director's slot for the Law Department, Civic Center, Human Services and Municipal Parking, but they are not on this list. Are they looking to hire in the future? In addition, DPW is missing and PLD is not correct. We're requesting an updated list.

**K. WIMBERLY:** It will be coming forth.

**K. COCKREL, JR.:** We have been trying for some time to reschedule the meeting with Chief Bully-Cummings to discuss the concerns about crime that was originally scheduled January 15th. I suggested a rescheduled date of this Friday. However, the Chief is not able to make it. She contacted my office and suggested an alternative date, Wednesday, March 12th. Colleagues we should go ahead and do that. Let's plan for a Committee of the Whole on that date.

**S. COCKREL:** March 12th is a Wednesday. You'll need to check with Member Jones because her Rules Committee is scheduled for 2:00 p.m.

**K. COCKREL, JR.:** We'll check on that. I've been in communication with Mr.

Todd about scheduling a Committee of the Whole relative to a number of issues associated with the Community Development Block Grant. We're trying to set that up for this Friday at 10:30 a.m. My office made calls to all Council Members and I only received confirmations from three.

**S. COCKREL:** Budget, Finance and Audit meets on Friday at 10:30 a.m.

**K. COCKREL, JR.:** I know, and we talked about it at the table and you said that you might be able to keep that meeting that morning about a half a hour.

**S. COCKREL:** That was last week. I don't think this meeting will be brief.

**K. COCKREL, JR.:** I need to know if the majority of Council Members can make that meeting, because we will need a quorum. Well, let's plan on 9:00 a.m.

MAYOR CITY OF DETROIT**

Council Member Sheila Cockrel,  
Budget, Finance and Audit Committee  
Chair

Council Member Brenda Jones,  
Internal Operations Committee Member  
Council Member Martha Reeves,  
Internal Operations Committee Member  
WHEREAS, The Detroit Declaration of Rights, states that, "The people have a right to expect aggressive action by the city's officers in seeking to advance, conserve, maintain and protect the integrity of the human, physical and natural resources of this city from encroachment and or dis-mantlement;" and

WHEREAS, On September 11, 2007 a

Wayne County Circuit Court jury found that Mayor Kwame M. Kilpatrick had violated the State of Michigan's Whistleblower Protection Act; and

WHEREAS, On October 23, 2007 the Detroit City Council approved a settlement based on an agreement presented to Council by the Mayor and the Law Department in the amount of \$8.4 million; and

WHEREAS, It became public knowledge that a confidential agreement had been agreed to without Council's awareness or approval, which determined the outcome of the settlement; and

WHEREAS, Council, being desirous of receiving information concerning the confidentiality agreement, passed a resolution opposing the mayor's appeal of Judge Colombo's ruling to release all documents related to the settlement of the Whistleblower Lawsuit; and

WHEREAS, The Mayor and the Law Department chose to appeal Judge Colombo's ruling; and

WHEREAS, The Michigan Court of Appeals upheld Judge Colombo's ruling and denied the Mayor and the Law Department's request to withhold the settlement documents; and

WHEREAS, Council again passed a resolution opposing the Mayor and the Law Department's appeal of Judge Colombo's ruling to the Michigan State Supreme Court and urging the release of all documents related to the settlement of the Whistleblower Lawsuit; and

WHEREAS, The Mayor and the Law Department chose to appeal the Michigan Court of Appeal's ruling by appealing to the Michigan State Supreme Court; and

WHEREAS, Once again, the Mayor and the Law Department's appeal was denied and the Michigan State Supreme Court granted Judge Colombo the authority to release all documents related to the Whistleblower Lawsuit; and

WHEREAS, Documents were released that apparently confirmed the existence of a confidential agreement previously unknown to Council; and

WHEREAS, Over the past six months, Detroit has received embarrassing coverage nationally and internationally, which has caused the mayor to be absent from his duties for a prolonged period of time and absent from the public; and

WHEREAS, The turn of events involving the confidentiality agreement created by he Mayor and the Law Department has compromised the integrity of the city's Law Department in its relation to the Detroit City Council; and

WHEREAS, Partly as a result of media exposés alleging that the Mayor perjured himself on the stand in the Whistleblower Lawsuit, the Wayne County Prosecutor announced an investigation into possible perjury charges against the Mayor; and

WHEREAS, The City Council had to

approve the appointment of its own Special Counsel to represent its interest and to investigate the entire matter; and

WHEREAS, City Council is undertaking an investigation that may call into question the professional ethics of the Mayor, his staff, the Corporation Counsel, and lawyers in the Law Department, as well as outside counsel; and that such an investigation will, of necessity, raise concerns regarding the ability of the City of Detroit to function with Mayor Kilpatrick continuing to serve; and

WHEREAS, Mayor Kilpatrick repeatedly obfuscates the truth regarding documents in the settlement of the *Brown, Nelthrope* and *Harris* lawsuits, wherein he repeatedly claimed there were no secret documents and was very critical of news media, City Council and the highest Courts in the State of Michigan for seeking disclosure of the documents and claimed to be fighting on behalf of all litigants in the State of Michigan; yet; when the documents were disclosed, he declared the documents to be "nothing" and did not constitute evidence of a cover-up — a position so totally flawed both factually and legally that this Honorable Body remains deeply troubled by Mayor Kilpatrick's inability to discern the truth; and

WHEREAS, In light of the circumstances surrounding the *Brown, Nelthrope* and *Harris* settlements, the City Council will continue its legislative investigation into numerous legal and policy issues that have been brought to the fore; and

WHEREAS, The Mayor, during his tenure, has attempted and in some cases been successful in helping to revive the economic conditions of Detroit; Yet those efforts have not translated into the improvement of the delivery of services to the residents of Detroit; and

WHEREAS, Mayor Kilpatrick spoke to the City Council on February 20, 2008, and stated that he was fully engaged and it was "business as usual," and further stated the Administration would provide documents the following Monday regarding a proposed sale of the Detroit side of the Detroit-Windsor tunnel; however, the documents provided to Council were merely a summary of prior proposals regarding a sale of the tunnel with a short paragraph about a potential new structure for the transaction; and

WHEREAS, The Administration has been promising the City Council since the 2007 budget presentation that a transaction involving the Detroit side of the Detroit-Windsor Tunnel was forthcoming, would net the City \$58 million, and would resolve the City's structural deficit; yet, the transaction appears to still be in preliminary stages and it is unlikely it will be completed during this fiscal year; and

WHEREAS, The Administration's failure under Mayor Kilpatrick's leadership to timely file a Comprehensive Annual

Financial Report (CAFR) with the State of Michigan Department of Treasury for fiscal years 2005/2006 and 2006/2007 has caused the State to withhold \$61 million in desperately needed revenue sharing funds from the City until a plan of action and timeline is presented to the State regarding the 2006/2007 CAFR; and

WHEREAS, The 2005/2006 CAFR identified numerous failings in the City's internal controls, and reportable conditions and material weaknesses have increased dramatically during the Kilpatrick Administration, and

WHEREAS, The failure to timely file the 2005/2006 and 2006/2007 CAFR and the number of reportable conditions and material weaknesses has and continues to jeopardize the City's ability to sell bonds and the City's credit rating; and

WHEREAS, Mayor George L. Grace, President of the National Conference of Black Mayors (NCBM), publicly stated that the decision to move the annual meeting from Detroit to New Orleans is directly related to the text messaging scandal involving Mayor Kilpatrick and the NCBM's desire to avoid publicity being focused on Mayor Kilpatrick and the scandal as opposed to the annual meeting; and

WHEREAS, The Administration denies that the decision to move the NCBM annual meeting has anything to do with the current crisis in Detroit and has to do with "Logistics," despite the President of NCBM's statement to the contrary; and

WHEREAS, The move of the NCBM annual meeting caused the loss of substantial, greatly needed economic revenue to the City; is an example of how the controversy involving Mayor Kilpatrick and his former Chief of Staff Christine Beatty has had far reaching effects upon the reputation and economic health of the City; and is clear evidence that it is not "business as usual" in the City; and

WHEREAS, On a daily basis Council Members are engaged by citizens who are complaining re: streetlight outages, which has resulted in the death of at least one young Detroit resident, water flowing through the streets of Detroit, slow or no response time by police, high water rates, fees for garbage pickup and a host of other complaints and concerns; and

WHEREAS, While the Detroit City Council has tried to continue to function in a normal capacity, it has been very difficult under the present circumstances; and

WHEREAS, The City is currently experiencing the equivalent of a "constitutional crisis," as there is a fundamental degradation in the City's leadership, rooted in an apparently flagrant disregard for the rule of law and the sanctity of the Detroit City Charter; and

WHEREAS, Section 2-106 of the Detroit City Charter states, "The use of

public office for private gain is prohibited," and Section 2-6-61 of the Detroit Code of Ordinances, states, "A public servant shall not engage in any act or omission in the discharge of his or her official duties for private gain"; and

WHEREAS, Section 2-6-62 of the Detroit Code of Ordinances, states, "A public servant shall not use confidential information that is acquired in the course of his or her employment for private gain"; and

WHEREAS, There is an overwhelming and growing sentiment amongst citizens of Detroit that the City Council should stand firm against Mayor Kilpatrick and seek his resignation;

NOW, THEREFORE BE IT,

RESOLVED, That the Detroit City Council, in the interest of preserving the integrity of city government, hereby calls for Kwame M. Kilpatrick, to resign as Mayor of the City of Detroit forthwith; and

BE IT FINALLY

RESOLVED, That if the Mayor chooses not to resign, The Detroit City Council hereby requests that Special Counsel explore the proceedings by which the Mayor may be removed from office due to forfeiture.

Council Member Barbara-Rose Collins moved, and Council President Pro-Tem Monica Conyers supported, a motion to postpone action on the resolution until March 18, 2008, which motion prevailed as follows:

STATEMENT BY COUNCIL PRESIDENT  
KENNETH V. COCKREL, JR. ON THE  
RESOLUTION CALLING FOR  
THE RESIGNATION OF  
MAYOR KWAME M. KILPATRICK

Today, I joined with the majority of my colleagues in voting to table a resolution calling for Mayor Kwame M. Kilpatrick's resignation.

Let me begin by saying that in the 10 years I have served City Council I have never before seen a resolution generate this level of media attention, public interest, controversy and misinformation. However, this is clearly the result of the revelation in late January of text messages that not only showed that the Mayor and his chief of Staff had conducted an extramarital affair but which also suggested that both committed perjury on the witness stand in outlining their roles in the termination of two Detroit Police Officers.

Since then, the firestorm of media attention this disclosure generated has threatened to swirl out of control and

these revelations have divided our city. They have also sunk the relationship between the Mayor and the City Council to its lowest point ever. The subsequent revelation of secret settlement documents associated with the Brown, Nelthrope vs. City of Detroit case have also damaged the Mayor's credibility with City Council beyond repair. It is now clear that these documents were kept hidden from City Council and the public at large.

For this reason, it is understandable that the aforementioned resolution was greeted with much interest and enthusiasm in some areas of the community. However, the question that had concerned me about this resolution, since it was first introduced, is whether or not now was the right time to pass it.

Ultimately, I decided that it was not for the following reasons:

First, Council has already launched its own investigation into this matter. We have hired an attorney to advise us and head an investigation that will center on the conduct of both the Law Department Attorneys and outside attorneys who were hired at great expense to represent the Mayor and the City in this matter. This will also include the securing of important documents critical to this case such as copies of all the text messages involved in this matter.

I believe it is important that council go further in its investigation before passing a resolution that calls for the Mayor's resignation. A more thorough investigation of the facts may allow us to uncover evidence of additional wrongdoing that should also be documented in a final report on this investigation and in the resolution itself. It is quite possible that what we now know is only the tip of the iceberg.

Moreover, in February, City Council passed a resolution, unanimous, that calls for the Auditor General to conduct a Comprehensive Financial Audit of the Mayor's Office from 2002 through the present. Which I believe in the correct course of action will only enhance the work of our Special Counsel at the end of the day.

To pass a resolution calling for the Mayor's removal at the beginning stage of this investigation is ultimately like putting the cart before the horse.

Secondly, before passing such a resolution I believe that citizens need to be made crystal clear of its impact. It is important to note that most council resolutions, including this one, are "non-binding" which means they do not have the force of law. Yes, this resolution would have sent a powerful message to the Mayor but Detroit citizens need to understand that regardless of when Council approves this resolution the Mayor will NOT be removed from office as a result.

I think taking the time to educate the public on that fact while continuing our

own investigation is important. Judging from the large number of phone calls and e-mails I received urging City Council to "please vote to remove the Mayor" it is clear that many citizens don't understand that Council doesn't have the power to do that at all under the City Charter, a document that was last approved by the voters of this city in 1996.

The only way that can happen at this point would be for the Mayor to resign of his own will (something he's already said he won't do) or if he were to be charged, tried, and found guilty of committing a felony. Whether or not the second possibility occurs is dependent upon whether or not the Wayne County prosecutor files criminal charges against the Mayor.

As it stands now, the resolution has been tabled until mid-month when Council will take up the matter again for further consideration.

STATEMENT BY COUNCILWOMAN  
SHEILA M. COCKREL IN SUPPORT OF  
MOTION TO POSTPONE VOTE ON  
SEEKING THE RESIGNATION OF  
MAYOR KWAME M. KILPATRICK

I supported the motion to postpone a vote on the resolution seeking the resignation of Mayor Kwame M. Kilpatrick due to the request of colleagues for more time to consider the matter. By contributing to the language of the resolution seeking Mayor Kilpatrick's dismissal, I wanted to make it crystal clear that I believe our City government is currently experiencing a serious crisis. However, I also believe that a resolution seeking the Mayor's resignation should be as close to a unanimous vote as possible. I respect the perspective of colleagues that the City Council's actions should follow the Wayne County Prosecutor's investigation. For these reasons, I am prepared to wait until a date in the near future to vote on the resolution seeking the Mayor's resignation; which I am fully convinced will be in the best interests of the City.

DETROIT CITY COUNCIL PRESIDENT  
PRO TEMPORE MONICA CONYERS  
STATEMENT FOR NO VOTE  
CONYERS EXPRESSES UNREADINESS  
ON COUNCIL RESOLUTION

Council President Pro-Tempore Monica Conyers expressed unreadiness in supporting the resolution calling for the resignation of Mayor Kilpatrick.

Conyers states, "The allegations concerning the Mayor's alleged misconduct are very, very serious. But, at this point we don't have the needed documentation necessary to substantiate the resolution. I will not participate in a Kangaroo Court. I must act on the facts fairly obtained."

"I have requested all exhibits to this case, including the text messages, and

have reviewed Section 2. 107(2), of the City Charter, Forfeiture of Office. I am prepared to take the appropriate action when I get the facts. Our Special Counsel has not completed his investigation or provided us a report."

"City Council hired independent counsel to obtain all relevant information, by subpoena if necessary, and report back to us as a body. City Council may also exercise its option to hold public hearings and examine witness."

"For these reasons, any resolution calling for his resignation would be preemptive at this time and a violation, in my view, of his fundamental right to due process."

**STATEMENT OF HONORABLE  
ALBERTA TINSLEY-TALABI  
REGARDING THE RESOLUTION  
FOR THE MAYOR OF THE CITY OF  
DETROIT TO RESIGN**

The recent Michigan Supreme Court order to release certain unsealed documents has shed more light on why and how the Brown/Nethrope/Harris Whistle Blower Lawsuit against the City of Detroit was settled. These documents support the belief that information was purposefully withheld from the People of the City of Detroit and the Detroit City Council. However, these documents alone do not constitute a complete record of fact relative to all of the outstanding issues being reviewed in this matter. Until a complete record of fact is established, I cannot support a resolution calling for the resignation of the Mayor of the City of Detroit.

Requesting the resignation of an incumbent mayor is not an easy decision, but it is one I am prepared to make at the appropriate time. However, I think such an action by the City Council should only be taken after a complete record of fact has been established. A complete record of fact cannot be achieved with City Council's hearing process and a decision by the Wayne County Prosecutor.

Several weeks ago, I voted in favor of Council retaining Special Counsel to review and report on a number of issues regarding how this case was settled. I did not vote to use taxpayer resources to continue to speculate on what occurred. The process that City Council is embarking on with Special Counsel must be completed in order to legitimize any action of this nature. Moreover, the Wayne County Prosecutor's role is paramount to creating a factual record for a mayoral resignation.

In my opinion, a complete record of fact must be established not just for the Detroit City Council but, more importantly, for the People of the City of Detroit. Taxpayer funds were used to settle this case and the People must be given a full report of all the facts and particulars involved in this issue. Not doing so would be a disservice to Detroit residents, businesses and to the

history of the City of Detroit.

It is for these reasons that I think the prudent course of action is to table this resolution until a complete record of fact has been established.

Re: Address: 5325 Cooper. Name: Clifton Hubbard. Date ordered removed: July 11, 2007 (J.C.C. pgs. 1893-4).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on January 28, 2008 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of January 14, 2008.

The proposed use of the property is owner's use and occupancy. This is the 1st deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

WHEREAS, The Detroit City Council has been a long-standing proponent of efforts, locally and in Lansing, to reduce the disproportionate insurance premiums paid by Detroit residents; and

WHEREAS, As a result, Council welcomes Governor Jennifer M. Granholm's recently unveiled plan designed to ensure "that Michigan residents have access to affordable, reliable, and fair insurance no matter where they live" and

ommendations for administrative, legislative, or other corrective actions that would positively affect the interests of automobile insurance and home insurance consumers.

Honorable City Council:

Re: Resolution waiving conflict of interest between the City of Detroit and Goodman & Hurwitz, P.C.

The Research and Analysis Division (RAD) was requested to prepare a resolution waiving the conflict of interest between the City of Detroit and Goodman & Hurwitz, P.C. The proposed resolution, in proper form, is attached.

The conflict disclosed to this Honorable Body by William H. Goodman on February 15, 2008, arises out of his firm's representation of two plaintiffs in consolidated malicious prosecution lawsuits against

three Detroit police officers, filed in the United States District Court, Eastern District of Michigan.<sup>1</sup> A jury verdict was returned in favor of both plaintiffs on February 25, 2008. The total jury award to the plaintiffs in these suits was \$2,583,000<sup>2</sup>. Though the City was dismissed as a party from this suit, it indemnified the police officers, and is financial responsible for payment of the jury award.<sup>3</sup>

Copies of the Michigan Court of Appeals opinions reversing the earlier convictions of the plaintiffs are also attached for your review.

Respectfully submitted,  
DAVID WHITAKER  
Research and Analysis Division Staff

<sup>1</sup>*Kimberly Sykes v. Derrick Anderson, Carol Nichols and Maurice McClure, and Tevya Urquhart v. Derrick Anderson, Carol Nichols and Maurice McClure* ("Sykes/Urquhart litigation"). The City of Detroit was dismissed from the action on a motion for summary judgment.

<sup>2</sup>Kimberly Sykes was awarded \$1,063,000 in compensatory damages and \$250,000 in punitive damages. Tevya Urquhart was awarded \$1,020,000 in compensatory damages and \$250,000 in punitive damages.

<sup>3</sup>RAD has not ascertained whether the Law Department intends to appeal the verdicts in the Sykes/Urquhart Litigation.

**RESOLUTION WAIVING CONFLICT OF INTEREST BETWEEN THE CITY OF DETROIT AND GOODMAN & HURWITZ, P.C.**

By Council Member Reeves:

Whereas, On February 14, 2008 the Detroit City Council appointed attorney William H. Goodman, Esq. to serve as Special Counsel to the Detroit City Council, pursuant to Section 4-121 of the 1997 Detroit City Charter to represent City Council, as deemed necessary, in any legal matters arising out of past and present litigation involving Mayor Kwame Kilpatrick and his Administration, as well as matters which may flow from the investigations presently underway by the Auditor General, the Wayne County Prosecutor or any other investigating agency; and

Whereas, On February 15, 2008, William H. Goodman formally disclosed the existence of a potential conflict of interest between the City of Detroit and his law firm, Goodman & Hurwitz, P.C. which represents plaintiffs in two consolidated civil suits against three Detroit police officers filed in the United States District Court for the Eastern District of Michigan, Southern Division: *Kimberly Sykes vs. Derrick Anderson, Carol Nichols and Maurice McClure, and Tevya Urquhart vs. Derrick Anderson, Carol Nichols and Maurice McClure* ("Sykes/Urquhart litigation") which was tried to a

jury verdict against the defendants on February 25, 2008;

Whereas, This Honorable Body is advised by William H. Goodman that the Sykes/Urquhart litigation has been and continues to be handled by other members of the Goodman & Hurwitz, P.C., and that particular litigation bears no relationship to the matters for which William H. Goodman has been engaged as Special Counsel to the Detroit City Council; and

Whereas, The Detroit City Council acknowledges a conflict of interest exists; now therefore be it

Resolved, That the Detroit City Council formally waives the conflict of interest that exists between the City of Detroit and Goodman & Hurwitz, P.C.

Adopted as follows:

Yeas — Council Members S. Cockrel, Reeves, Tinsley-Talabi, Watson, and President K. Cockrel, Jr. — 5.

## Invocation

Our heavenly Father, Sovereign God and Lord of all creation. This is the voice of thy servant, invoking humility — for just a moment of your time, to have a little talk with thee.

I lift up the Detroit City Council, an eminent body of Municipal Servants whom I believe was chosen for such a time as this. Majestic Lord, open up their hearts, pierce into their souls, tweak their spirits that they may be synchronized with the Holy Spirit. Empower these Civil Servants with a preponderance of wisdom, mercy wrapped in grace, peace, unity and relentless faith.

Endow them with a clear vision of your power working through their mortal bodies to produce a city where the constituents can have hope and witness the eradication of homelessness, joblessness, criminal injustice, and spiritual blight. Restore the City of Detroit to its global prominence by your divine presence. And now Lord, give this city a spirit of repentance and then we shall hear from heaven, you will forgive our sin and you will heal the land — and then we shall have economic, moral and social victories by way of divine inspiration, illumination and revelation through your precious Son, Jesus Christ our Saviour.

Amen.

#### **PUBLIC COMMENTS**

**Mr. Steve Hick** regarding a contract with Park Rite. The contract between Ford underground parking and Millennium Garage of which Municipal Parking has signed makes the City of Detroit a co-employer. I am asking Council to rescind that contract and bargain with Park Rite. Marathon Refinery distributed applications for 15 jobs and received 7,000 applications. Please investigate to see if they are hiring people from Detroit which is the requirements.  
*Council will review.*

**Reverend Anthony Johnson** requesting a hearing and investigation on the alleged wrongful demolition for property at 501-3 Connor. *Pro Tem Conyers Office will review.*

**Mr. Brandon Henry Bryant** representing citizens of Detroit and the family mem-

bers of the injured from Police Officer Eugene Brown and seeking Council's position on removing Eugene Brown from the Police Department. *Council has investigated and agrees with Mr. Bryant; however this matter is in the hands of administration.*

**Omar Barksdale and Cassie Poe** promoting the Women of the World Individual Poetry Slam to be held March 12-15. The Poetry Slam is a friendly competitive format which poet competes. This is the first World Women Championship which will be held in Detroit. Flyers were distributed.

**Howard Zhia and Jeanmarie Lunsford** petitioning City Council for a proclamation for supporting the Human Right Torch Relay to be held in Detroit on May 10, 2008, at the Grand Circus Park, from 10:00 to 1:00 p.m. *President Cockrel stated that the resolution is in the process of being approved.*

**Anita Riles** regarding major problems with the Livernois Median. There are many vacancies from businesses leaving the area, the sidewalk plants are dead, The Livernois Commercial District is not healthy and is in need of better care from its elective officials.

**Ollie Williams** requesting help with grants to receive some relief for Gas, Water, lights, and with repairs to my home. *Citizen was directed to speak with the Mayor's staff directly after the meeting.*

**Joann Jackson** requests that Council inform citizens of their decision in the reconstruction of Livernois Median. As taxpayers, owner, and merchants, we are against this median. Where does the Council stand on this issue? *Council Member Watson stated that Council did not vote on the renovation of Livernois Median and that the renovation should stop. President Cockrel stated that at the Council's request, Research and Analysis Division drafted an ordinance to address the concerns of the citizens regarding the Livernois Median.*

**William Carr** represents the St. Cecilia Pontchartrain Community Council on the Livernois Median. Citizens in the audience stood in support of halting the Livernois construction on the Median. A signature sheet consisting of approximately 105 merchants, owners, and taxpayers was presented to Council requesting that the renovation of the boulevard cease and that the modifications of the existing boulevard be made to accommodate existing and potential businesses.

**Hilanius Phillips** an Urban Planner for 33 years with the City of Detroit and a member of Pontchartrain Community Council, I met with some members from St. Cecilia Pontchartrain and with

the chief three planners of Traffic Engineering Department to asked them have they evaluated the shortcomings of the first phase of the Livernois Median before imposing it upon Phase II and Phase III. They laughed at us. My concern is that there has been too much planning for people and not with people.

**Jonathan Elie** opposes any increase to the Water Department due to the unprofessional workmanship that Mr. Mercado and his leadership has put forward on the citizens of Detroit and that the Council do a full scale audit of the Maintenance and Repair Division as far back as ten years to the present with special emphasis on Vehicle Management (2003-2004) at the Northeast Water Plant. I witnessed a wholesale of City of Detroit Water Department vehicles being sold. In 2006, 800 Mega watts radios, infrastructure programs that were to be implemented that were not suppose to cost much when introduced to Council in 1998. In 2006, through the leadership of the Water Department, Mr. Victor Mercado and IMG Management, it turned into an \$800,000,000 gorilla. Mr. Elie is requesting an audit of everything in the Water Department, Lighting Department, and subpoena James Health.

**Louis Plummer** voiced a concern regarding the owner of Baker who does not know whether to sell of just leave. If we do nothing about this Livernois Median, we will lose this business. Why are people trying to force us to have something we do not want? Many people are leaving Detroit; we want to stay in Detroit. Please accommodate us so that we can stay.

**Dolores Bryant** representing St. Cecilia Pontchartrain Council and a resident of Russell Woods for over 50 years and opposes the Livernois Median.

**Zeline Richard** a member of Martin Park Association states that businesses are ready to leave this City because of the reconstruction of Livernois Median. We appreciate the Council Members who meets with the community. We are going to continue to fight and speak up for our rights.

**Bessie M. Herring** requesting that you stop the construction of the Livernois Median. It is creating many problems in and out of our community and routing of emergency vehicles entering the community. I am asking that you stop the construction of this Median.

**Alice Johnson** a resident of Martin Parks for 47 years. This Livernois Median is impacting our Community at a level that is almost intolerable. Instead of doing things to encourage residences to continue living here we are constantly

bombarded with situations that would make us want to leave. It is time to do things that would attract the citizens. We cannot find one person or business that feels that this Livernois Median is to our advantage.

**Kim Tandy**, Program Manager for University Common. We are an organization that is working to help revitalize the businesses on the Livernois Strip. We have businesses that are struggling due to the Median. Last year we have fourteen (14) new businesses that opened on Livernois; however, this median issue has caused almost a stop on the businesses that are trying to locate on Livernois. We are asking that you stop Phase II and Phase III. We are proposing and have seek funding to get a traffic and parking study for Livernois, and with this we will put together an implementation plan for the Livernois area and we will need time for this. *Council Member Watson stated that City Council never gave permission to start it, but we did pass a resolution to stop it.*

**Kenneth Holloway** concerns were regarding street lights outage in the Warren and St. Jean area and the move of the Fifth Police Precinct to Gratiot making it hard to receive assistance when incidents occur in the neighborhood. *President K. Cockrel stated that this issue will be addressed with the Police Chief tomorrow in a special meeting and the lighting problem was referred to public lighting.*

**Trent Jones (Iconic Creative Media)** purpose is to initiate the process of having a vote place on the agenda for Board of Zoning Appeals Grant, Case No. 64-07. *The report was referred to Planning & Economic Development Committee and then forwarded to Law for an opinion. We are waiting for Law to respond.*

**John George, Executive Director and Co-founder of Motor City Block Blusters**, relates to the Planning and Development Department proposal to allow qualified nonprofits that are approved by this body to acquire some of the HUD foreclosed FHA properties that are now in our neighborhoods. Block Blusters is in support of that effort and we hope Council will approve it and move it forward. *President K. Cockrel stated he has concerns regarding some groups listed on the resolution and that he would like to revisit this proposal.*

**Arnetta Grable**, Founder of Original Detroit Coalition against Police Brutality and the Criminalization of a Generation, and also the mother of Lemar Grable who was killed in 1996 by Police Officer Eugene Brown, is asking the Council to have a public evening

hearing on the finding of the Shoulders Report and police brutality incidents since the Shoulders Report was completed. *Council Member Watson moved that a hearing be held addressing the Shoulders Report. It was supported by Conyers. This was referred to Research and Analysis and Police Department for review.* Arnetta Grable stated that the Shoulders Report recommended that Officer Eugene Brown be charged with murder and that warrants be issued for his arrest for murder.

**Deborah Ma'at Moore**, representative of Ahmose Math Academy, requesting permission to address the Public Health and Safety Committee. In 2003, the Council Body voted to grant the building at 320 Mack in Brush Park to Ahmose Math Academy with the understanding that we were to rehab the building. In December 2006 at 10:00 a.m. the building was demolished. *Refer to Public Health and Safety Committee per President K. Cockrel.*

**April Voner**, Pontchartrain Community Council, opposes the Livernois Median and asks the City Council to have a conversation with members of the Pontchartrain Community Council, Livernois Businesses and Owners Association, and with MOSES in an effort to be part of what it will take to make this a better City. *President K. Cockrel suggested that she call his office and extend an open invitation to all Council Members. Council Member Watson suggested that the representatives come to the Coleman A. Young Municipal Center, Auditorium for a meeting.*

**Jeffrey Geisstner**, a contractor with the City of Detroit for over ten (10) years performing janitorial, power washing of parking structures for the city, received a janitorial contract for the Police Department in September 2006. On June 25, 2007, I received a call stating that another company has the contract. I did not receive any notices from Purchasing. The company that has the contract is T&N. I am asking for the last three (3) months of my contract. *Pro Tem Conyers requested that payment be issued for one (1) month.*

as being within the boundaries of the Zone described above. The properties listed herein are homestead properties; each homeowner has a Homeowner's Principal Residence Exemption Affidavit on file with this office. These parcels have met the statutory requirements and should be eligible for the Homestead Facilities NEZ Certificates as stipulated under the State Public Act 147 of 1992, as amended in 2007.

The Finance Assessments Division has reviewed the attached applications and recommends approval. The Board of Assessors, therefore, respectfully requests that the City Council pass a resolution to establish the properties listed as qualified in the designated area and direct the City Clerk to forward the necessary documents to the Michigan State Tax Commission for its approval.

Upon your Honorable Body's resolution and their approval of same, the State Tax Commission issues the Homestead Facilities NEZ Certificates to homeowners who have been identified and have filed a complete application.

Respectfully submitted,
